

one day AT TECHTV ...

Les: This is Les Nessman reporting for Radio Free Cincinnati. The Red Chinese forces have entered the city ...

Johnny: Forces of Darkness, not Red Chinese, Les.

Les: Cincinnati, it's time to fight for our homes, for our livelihood, for our right for freedom of the press, freedom of religion, and freedom of choice when it comes to the PC wars.

Les: I want every American citizen within the sound of my voice to rise up against these oppressors and fight!

Les: We've got to show them that we're mad as heck, and we're not going to take it any more!

Les: By god, I want you to take up arms and fight for freedom in this time of trouble!

Les: Now, in sports news ...

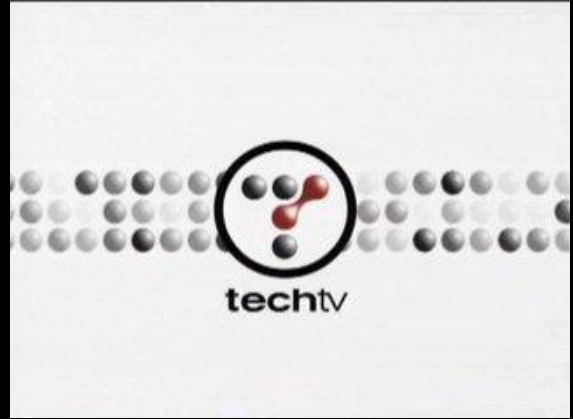

Les: Chye Chye Rod-ro-giez led the seniors' masters tour today by shooting two under par.

Johnny: Chi Chi Rodriguez.

Les: Mr. Rod-ro-giez won the tournament but we do hope he makes it up to par the next time he plays.

Les: In weather news ...

Robyn: (Where to now, Bandit?)

The Bandit: Answering, the call, Darlin', ::Resequencing main transmission feed::
