

one day AT techtv ...

Voice Over: It was a time of fire...

Voice Over: It was a time of chaos...

Voice Over: The legions of darkness, led by the giant marshmallow Leo, have taken the west coast...

Voice Over: Heroes have fallen...

Matt: What's that? Strange ripples on the surface of my coffee cup. This can't be good. Dear god, N000000000000000!

Voice Over: Heroes have risen...

Anne: Cap'n! Cap'n! Phasers set on kill! We're taking out the Microsoft HQ laddie! Take that you Klingon devils!

Voice Over: Love has blossomed...

Laura: \*Peter Barnes\*! You're Groovy!

Voice Over:... and love has died.

Bill: I don't think I want go out with that Leo girl any more. She shakes my dance floor in all the wrong ways! That's it ladies, Boogie Bill is back!

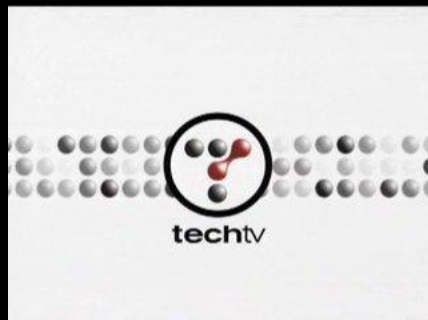

Voice Over: In our darkest hour, as the forces of Leo spread to the Midwest, a new voice comes out of the darkness to lead the forces of light. A voice of strength, a voice of mercy, a voice of wisdom...

Voice Over:... and a voice of hope.

Les: This is Les Nessman reporting for radio free Cincinnati...

To be continued...
