

ANOTHER DAY AT TECHTV ...

Joey Styles: I'm Joey Styles, with me is Cyrus the Virus, and we're live at the ECW arena in Philly where we're watching satellite footage of a battle between ...

Joey Styles: ... Evil Erica ...

Joey Styles: ... and the spandex clad Wonder Erica for the title of supreme Erica of the morning!

Cyrus: Joey, the fans are going nuts for this, but I have to ask -- why are we still here? I thought Extreme Championship Wrestling closed down months ago?

Joey Styles: Shh! Don't tell them, we're still releasing ECW tapes and DVDs! If they paid \$20 to sit in an empty arena and watch hijacked satellite feeds instead of actual wrestling then they'll pay \$20 more for a DVD of it!

Cyrus: Good point.

Joey: Plus it gives me a chance to yell

...

Joey Styles: CAAAAAAAAAAAAATFIGHT!
CAAAAAAAAAAAAAATFIGHT! CAAAAAAAAAAAAATFIGHT!

Joey Styles: Now let's go to Michaela in the studio of TechTV? What's that? I thought we were hijacking the FOXNews feed ...

Michaela: Thank you Joey, exactly why are you broadcasting on our signal anyway?

Joey Styles: As broadcast journalists we're obligated to cover cat fights too you know, even if it's footage from a hijacked feed from an obscure cable channel. Plus, we're both out of work since our wrestling federation declared bankruptcy, we have mortgages to pay, and a DVD of Erica vs. Wonder Erica will keep the creditors off our backs for another couple of months ...

Michaela: Ah. Okay. Just remember, I get my cut. Don't pull a Scott Herriott on me or I'll hunt you down and beat my royalties out of you. "Internet Tonight" the video game my butt. Three royalty payments then he vanishes to go find his "inner Big Foot" ... ::mutter::

Joey Styles: Umm. Okay. So Michaela how is the fight? It's it EXTREME? Are they ripping into each other yet?
 Michaela: You mean are they ripping things off?
 Joey Styles: Yes! Yes! CAAAAAATFIGHT!
 Michaela: Wait a second Joey ...

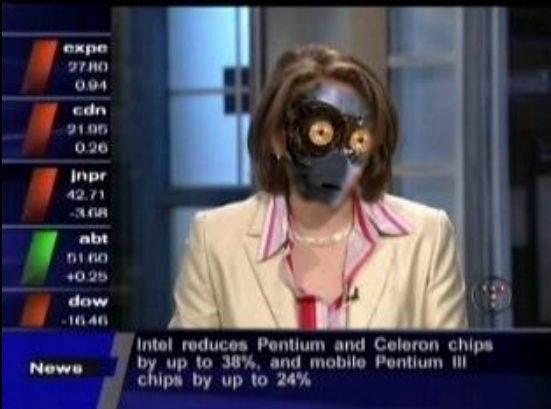

::RIIIIIIIIIIIIIIIIIIIIIIIIIIP::

Michaela: Well, Evil Erica's face just kinda ripped off.

Joey Styles: This is too EXTREME even for me.
 Cyrus: Hold me.

Michaela: Look! That means she's was a femmefbot the whole time! And she's sporting a "Powered by Windows XP" logo!

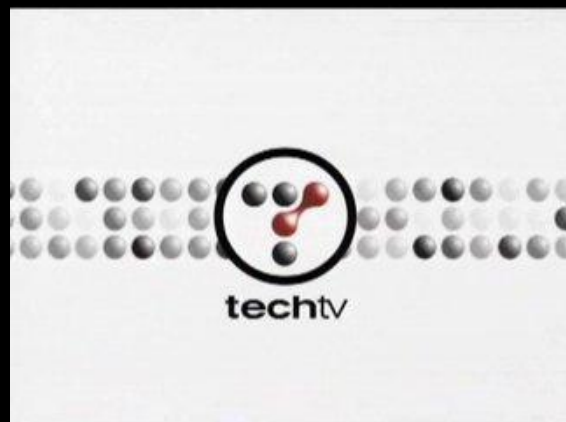

Bill Gates: Ratfarts.

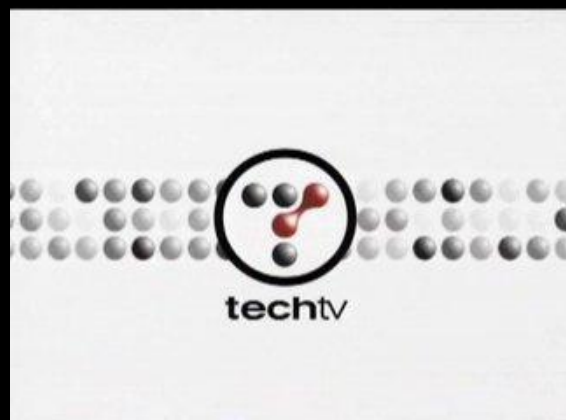

Michaela: Evil Erica is down! Dr. Who is counting the pin as we speak!

Michaela: That's it! Evil Erica has been pinned by Wonder Erica to crown the new Erica of the Morning champion! Now back to you, Joey!

Joey Styles: Well I guess it's over -- Evil Erica just went down for the count to Wonder Erica in a Catfight to end all Catfights! Stay tuned for DVD ordering information and a final wrap up where you'll hear me say: Catfight! CATfight! CATFIGHT! CAAAAAAAAAAAAAAAAAAATFIGHT! Goodnight everyone!

We'll be right back ...
