

# ANOTHER DAY AT TECHTV ...

The Afterlife ...

Yoda: Young Boogie, your training in the arts of Disco is coming to an end. Soon, may you, leave this place with your Boogie powers returned ...

Bill: Master, I feel a great disturbance in the Disco force. I feel great pain. My friends ... my board ... the New York Stock Exchange ... Master, I must go to them!

Yoda: Afraid of this, was I, it is the future, young Boogie. Put aside fear, you must, and continue with your training.

Bill: But Master, what is to become of everything I love? If I don't --  
Yoda: Don't? If you do not complete your training you will never again embrace the Disco power.

Yoda: Power over women eternal will be yours if you complete the training. Power to dance, hold, and easy boogie down with the lights out awaits you if you complete your training. Tell me, are your friends worth sacrificing that?

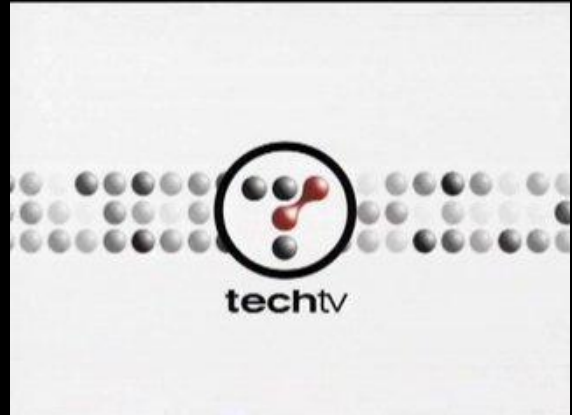

Bill: I guess you have a point.

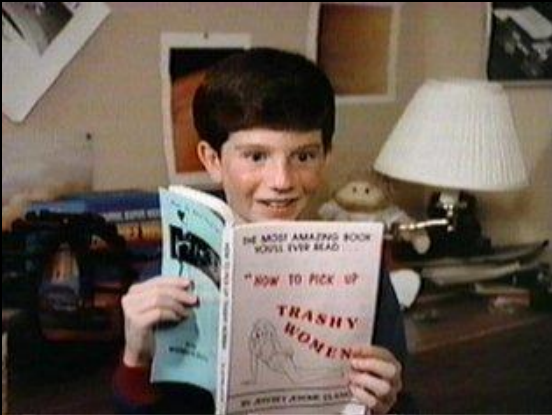

Yoda: Good, good. Now teach you to dance, shall I. DJ James Kim, "Rumpshaker" or a reasonable facsimile if you please ...

All I want to do is a zoom zoom zoom and a boom boom! Just Shake your Rump!

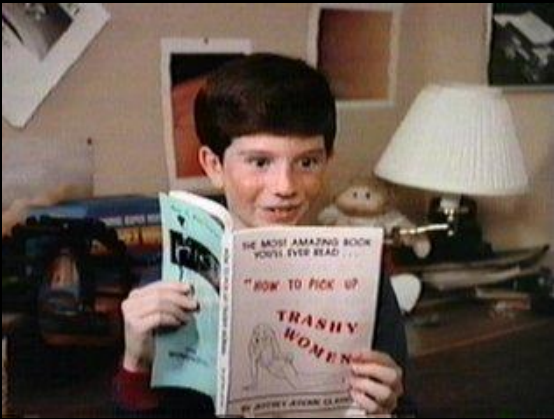

East Coast, USA: 20 Years ago ...

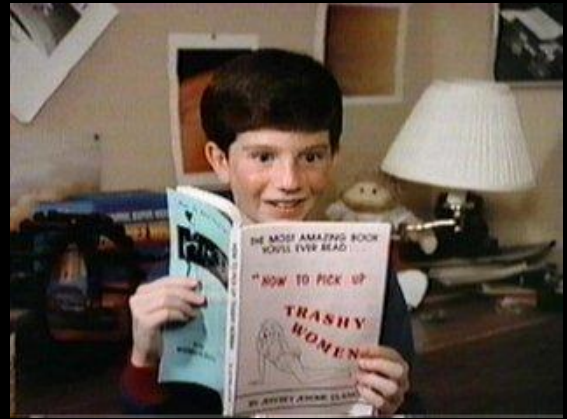

Bill: Master Yoda, I thought we were in an extended dance number. This seems to be a flashback to my early Disco training.

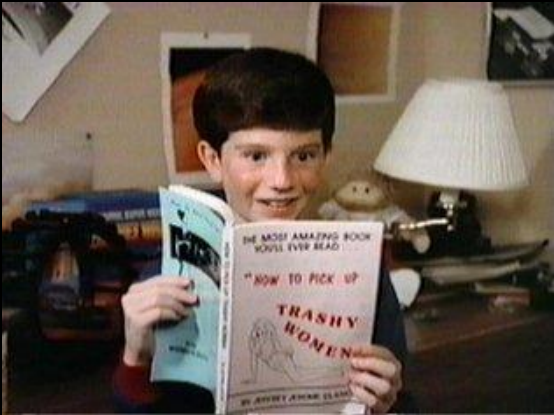

Yoda: Must you take in, training from the past as the key to the future.

Bill: What do you mean, Master?

Yoda: Remember young Boogie, the training of the past. The future groove lies here.

Bill: I'm still not following you.

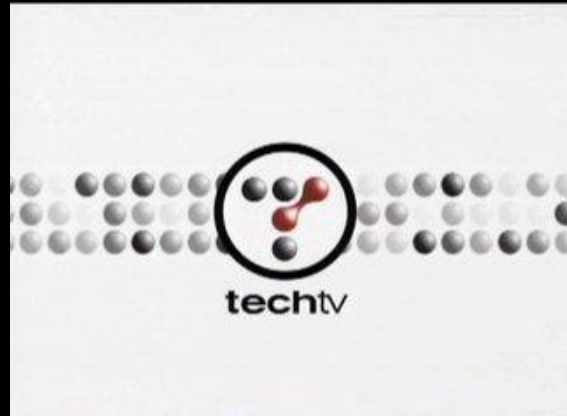

Yoda: Doh, just take the book and let's move on to the ultimate master.

Bill: You mean ... the one?

Yoda: Yes yes, the original doctor of love awaits you now in the future!

Bernie: Hi, I'm Bernie Kopell. You might remember me from such TV hits as "Get Smart," "The Love Boat" and "The Lancelot Link Secret Chimp Hour."

The Afterlife, present time ...

Jedi John Shaft: Master Yoda, do you think the young Boogie shall complete his training and return to the land of the living?

Yoda: If he tries hard, vitamins he eats, and prayers he says, he may have a fighting chance.

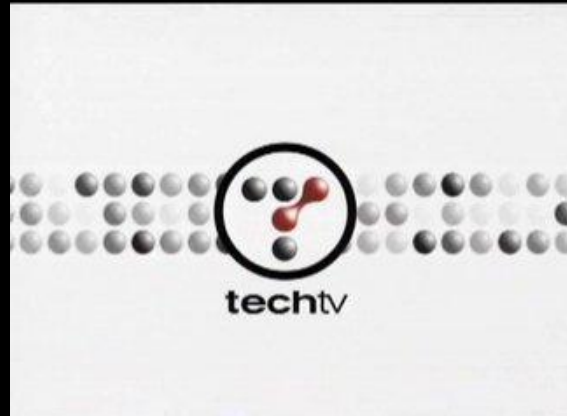

Jedi John Shaft: Why exactly am I in the strip again?

Yoda: Not sure, I am, but one thing I know -- not a thing cooler in the universe than Jedi John Shaft and Yoda.

Jedi John Shaft: Amen.  
Yoda: Right on, young Boogie, right on.

The afterlife, 5 minutes later ...

Bill: Yes, oh great master, I am a healthy American male, age 18 to 74, who has trouble finding dates.

Bill: Yes, I wish to be fighting evil with girls like Erica ...

Bill: Discussing "reality" with girls like Laura and the rest ...

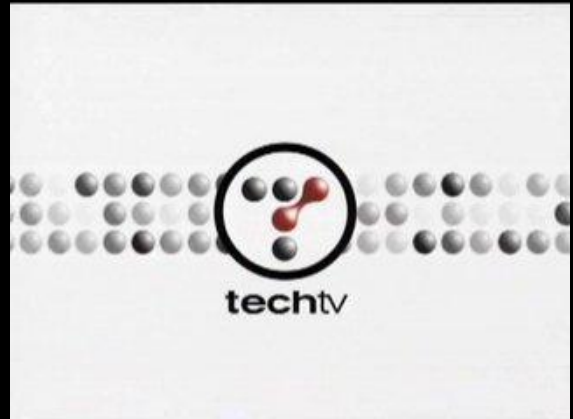

Bill: Oh great master, do I qualify for the training?

Bernie: Yes, yes, you do, in fact, I'm going to give you my magic formula absolutely free. Just listen closely and all the secrets of getting dates can be yours for no money down! No hidden expenses! No credit check! It worked for -- well, you, Bill Tucker in a previous life -- and it'll work for you again! Just listen closely to my voice for the next 10 seconds and the power will be yours!

Jim "Zoltan" Louderback (Voice Over): As forewarned. The forces of evil have taken over the New York Stock Exchange. A great champion is needed in order to prevent the second coming of Leo. Make peace with your gods, for if no champion is found, we shall all perish in flames ... so says Zoltan!

Bill: Smooth. The Doctor of Love is back! We'll be right back ...
