

STRANGE DAYS AT TECHTV ...

Computer: You've got V-mail!

Robyn: 010000101?

Michael: Ready? Recording? Okay. Hi-diddie-doodlie Little Bunny Foo Foo!

Robyn: 0111110.

Michael: It's your birthday, my magic bunny girl, and on your birthday I'd like to share these wishes.

Michael: I know, I know, I've annoyed you a few times since I've been here. My crush on you is something, well durn ...

Michael: ... it's something that I've tried to hide but gosh-dottli-osh, when my heart pitter patters this way, it's hard to hide.

Michael: From the first time I saw you I knew, you were the bunny girl #1 and I'd like you to give me a chance to show you how much I care.

Michael: I've sent you songs, flowers, candy, but nothing shows you what our life could be like if you gave me a chance.

Michael: Why I know things would be SUPER! We could hold hands at the movies! Eat ice cream at the malt shoppe! Even share the same putter at the practice green! Why it would be dreamy!

Michael: Our life would be okay! And today, on your birthday, I want to wish you the best and I know that we'd have a super fantastic time together.

Michael: So, in closing, I know that as a team we can go hi-dittillie-high places, if only you'd give me a sign!

Robyn: 0111111.

Bandit: Darlin', you changed your hair ...

We'll be right back ...
