

those were the days AT TECHTV ...

Michaela: Tomb Raider. After a disappointing run at the box office, the movie inspired by the award winning video game is about to be released on a new DVD.

Michaela: In this segment our own Adam Sessler and Stacey Barcelata will take a good look at the movie and see if the critics were justified in calling it "fluff" and, in the words of a FOX executive, "a grand salute to boobies."

Michaela: Adam, Stacey, welcome back to TechLive. I understand you had quite a time with your review of this DVD.

Stacey: Uh. Hi Michaela.
Adam: Yah hi.

Michaela: Well that's quite an opening. You too seem less than enthusiastic about doing a review this morning. What's going on?

Stacee: Michaela, it's not that we're not enthused it's just that we ... well we ...

Michaela: Okay, Adam, what's going on?

Adam: Frankly, Michaela, I don't want to talk about it.

Michaela: Okay you two fess up. What happened during your screening?

Adam: Well we just -- ouch. Stacee stop stepping on my foot.
Stacee: Adam, I thought we agreed we wouldn't get into this ...

Michaela: Get into what? Stacee? Adam? What are you hiding from us? Come on, you owe it to us to dish the dirt ...

Stacee: Michaela, just don't go there. It's not important. Let's just get on with the review.
 Adam: Yah, umm, let's just get on with it.
 Stacee: Shut up, Adam, I don't need your help on this.
 Adam: Hey what did I do?
 Stacee: Just shut up, Adam.

Michaela: OooooOooh I sense a story here. You both are hiding something.
 Stacee: We are not, Michaela, now let's do this review.
 Adam: Yah.
 Michaela: Hmm, let's see what our views have to think. Are they hiding something? Steve, Robyn, what are our chatters saying about this?
 Stacee: Oh dear god.

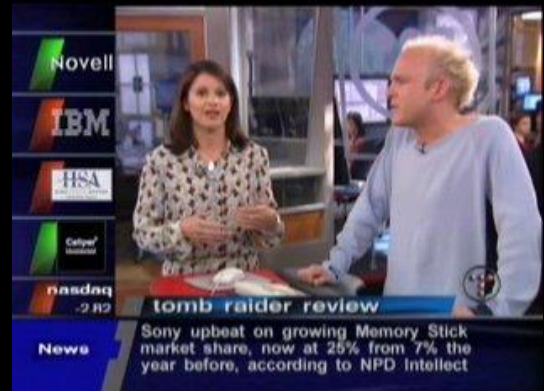

Robyn: 000001011100010101001010110.
 Steve: That's not what they're saying, Robyn. You just made that up.
 Robyn: 111111100100111111!
 Steve: No, I don't have a cat and I won't stick it ...

Robyn: 1111111111 0000100101111!
 Steve: Yah like anyone believes it's all Adam's fault. I think it's Stacee's fault why she has a history of "incidents" like with ...
 Robyn: 11111!
 Steve: What? My fault? It was not my fault you ... hey is that a booster seat you're sitting on?

Robyn: 1111111111!
 Steve: What, shorty? You want some of me? I'll take you on one on one!
 Robyn: 11111111!
 Steve: Yah you and your mama too.

Michaela: Hey you two, let's be professional here. No four letter words. Steve, stop being obnoxious. Robyn, put the chair down. Wait, what's that you're doing? Oh my ... Robyn don't! Violence is never the solution! No don't look over here --

::ZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAP!::

Stacee: You know it's sad when friends fight. I mean, Adam, maybe we should talk about what happened and try to go forward from here.
Michaela: My hair! My hair! It burns!
Noooooo!

Adam: You know Stacee, you're right. I'm sorry about last night. I never should have compared your uh, umm, "endowments" to Lara Croft's.
Steve: No! Not me! Noooooo!

Stacee: Right and I'm sorry that I called you a "no good son of a ..."
::ZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAP!::

Adam: Right and I'm sorry for making a move during the stone robot warrior scene. I just lost it. It was inappropriate and I'm sorry.
Steve: Why does this always happen to me!
Noooooo!

Stacee: That's okay Adam. You know I only punched you because you're going with that Kate chick. I mean I'm the good girl, I'm the girl next door, I'm not the heartbreaker, and making out with another girl's guy would be wrong.

Adam: Wait a second, Kate's not my girlfriend. Kate's just some French dude I work with. He's a real pal but I'm not into him that way.
Michaela: Here Steve, both of us, let's get her -- oh no!

Stacee: Boobs. She has boobs. She's a girl.
::ZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAP!::

Adam: I beg to differ. I mean we hang out together. He beats me at most of the video games we play ...
 Steve: This never happened to me when I was broadcasting CFL football!

Stacey: Dude, she did a whole segment on how she bounces like a girl!
 ::ZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAP::

Adam: You know, that was weird but I just thought he was kidding. You know like the GNOME kids around about being married.
 Michaela: Steve, oh my god, she's flying, get out of the way!

Stacey: Dude. Stop and take a clue card.
 Adam: A what?
 Stacey: Seriously, were you raised by Mormons?
 Adam: Umm ...
 Steve: The Roof is collapsing! She's made her way out! Dear god she's loose on the city!

Stacey: Okay. Listen to me. Boobs. Long hair. She uses the ladies room. She wears "Princess" T-shirts.
 Adam: No, no, he's just a funny little man. With large breasts, a hormone condition or something.
 Michaela: You're still on fire, stop, drop and roll, Steve! Stop, drop and roll!

Stacey: Ugh, the heck with it, she's not a girl. She's short. Has large breasts. Is into all the dance games. She talks like a sailor, burps, drives like a maniac and can kick your butt at every video game you play "him" in.
 Adam: That's right.
 Stacey: ... and "he" drives a pink VW Beetle, makes goo-goo eyes at every Brad Pitt poster she sees ...

Adam: Umm.

Stacee: ... and she, err, HE yells at you when you leave the seat up. No no, she's not a girl. He's just a little French man with a hormone condition.

Adam: Seat? Whoa.

Stacee: I give up, I give up on you. I give up on this stupid interview, I give up on this stupid station, let's just go to break so I can put out the flaming Steve over there, take some aspirin, and go get wasted at the bar down the street.

Adam: Wait.

Stacee: What?

Adam: Toilet seats.

Stacee: Huh?

Adam: That means something.

Stacee: What?

Adam: Oh my god, he really is ... no, no, it can't be, he's a ... girl.

Stacee: Arrrrragh! You blockhead.

Michaela: And on that note, we'll be right back ... Medic!
