

those were the days AT techtv ...

Joined in progress ...

Erica: ... Okay, the picture is coming up ... it's him! It's him! It's ... Oh dear god.

Erica: You're the new "Boogie" Bill? But ... but ...

Bill Clinton: Hey there little lady, how YOU doing?

Erica: Mr. President?

Bill Clinton: Now now, that other guy won the office. You can call me just Bill now.

Erica: K. This is unexpected to say the least. Bill ...

Bill Clinton: That's "Just Bill" now, darlin'.

Erica: Right. "Just Bill," umm, Yoda sent you?

Bill Clinton: Yes, darlin', Yoda sent me.

Erica: ... and you're from New York?

Bill Clinton: Yes, these days, I'm a New Yorker ...

Erica: ... and you know how to shake your thang on the dance floor ... and the girls

Bill Clinton: I cannot tell a lie, little lady, Ol' Bill is good on that dance

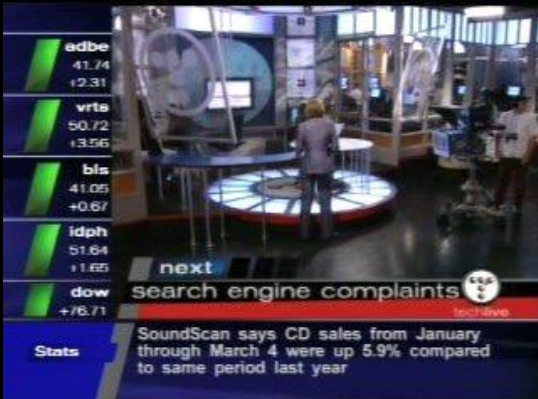

... the girls can't get enough of you?

Erica: Oh my goodness, I guess you do fit the description ... but something's not right ...

Erica: What's that, Mr. President?

Erica: Like this, Mr. President?

floor. And for shakin' his thang ask Jennifer Flowers -- oh baby!

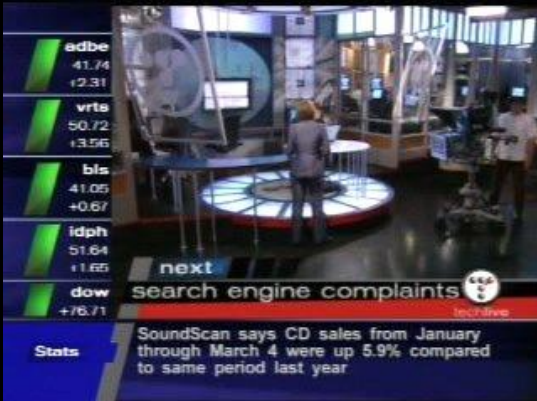

Bill Clinton: Now little lady, just relax and everything will be fine. Now I'm going to prove my status to you; but to activate my secret Boogie powers I need you to do something to help me. Okay?

Bill Clinton: I need you to stand up for me and walk behind the desk.

Bill Clinton: A little more, just like that, that's good.

Erica: Now, what, Mr. President?

Bill Clinton: Now somebody hit my music!
Now move with the music, yah like that
...

All I want to do is a zoom zoom zoom and a boom boom! Just Shake your Rump!

Bill Clinton: Yah baby! Wait, don't stop dancing! We're just getting into the groove!

Erica: Sir, that was totally inappropriate.

Bill Clinton: Aww, cool down little lady, Ol' Bill was just funnin' with ya.

Erica: But Mr. President, now's not the time for fun and games! Let's be serious! Are you the new "Boogie" Bill or not? The world is counting on you!

Erica: Mr. President, the old Boogie Bill was able to mesmerise women with just the sound of his voice. If you are the new Boogie Bill, I'm going to pull up our new owner and let you talk to her. It's important that you use your powers to convince her to liberate us from her husband's evil clutches. Can you do that, sir?

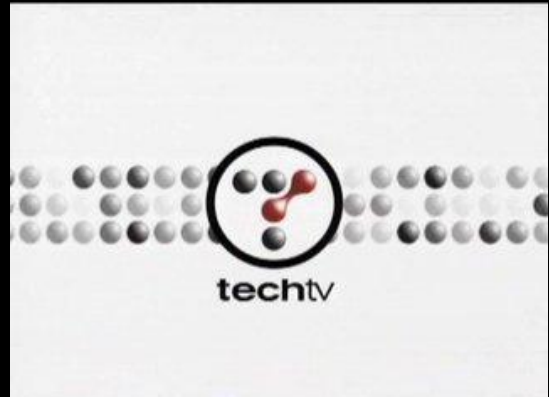

Erica: I've got a bad feeling about this ...

Bill Clinton: Aww, shucks, you're just like Al Gore, all pooper and no party. Yes, I'm "Boogie" Bill now where's the party, you hot mamma, you?

Bill Clinton: Bring her up, little missy, and Ol' Bill will take care of it all for you!

We'll be right back ...
