

CRAZY DAYS AT TECHTV ...

Patrick: Next up on the show, Martin shows us yet another foreign online music video that's taking the TechTV offices by storm. Martin: Why thank you, Patrick, as you all know, when I'm not setting fire to McNubbins, my under-loved and over-abused roomie, I spend my nights scouring the Internet for the best inane videos to show you here. So, without further ado, let's get to this one that I found on our own TechTV servers. Hit it, Mr. Candyman!

I was feeling done in, couldn't win* I'd only ever kissed before.

Patrick: You mean, she never?
Martin: Uh-huh.

I thought there's no use getting into heavy petting, It only leads to trouble and seat wetting ...

Now all I want to know is how to go

I've tasted blood and I want more

Patrick: There's more?
Martin: MORE! MORE!

I'll put up no resistance, I want to stay the distance

I've got an itch to scratch, I need assistance:

Toucha toucha toucha touch me, I wanna be dirty

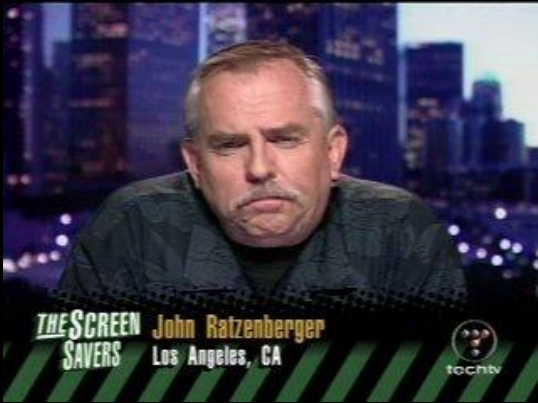

Thrill me chill me fulfill me
Creature of the night.

Cat: Toucha toucha toucha touch me?
Kevin: I wanna be dirty?

Grannie Megan: Thrill me chill me fulfill me?

John Ratzenberger: Creature of the night?

Then if anything grows while you pose

I'll oil you up and rub you down

Patrick: Scroll down, Martin.

Martin: Down?

Patrick: Down.

And that's just one small fraction of the main attraction

You need a friendly hand and I need action...

Brett: Toucha toucha toucha touch me!

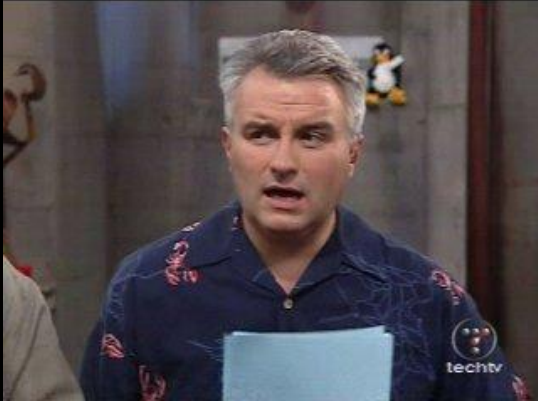

I wanna be dirty!

Lilly Tomlin: Thrill me chill me fulfill me!

Creature of the Night!

Leo: Creature of the Night?

Morgan: Creature of the Night?

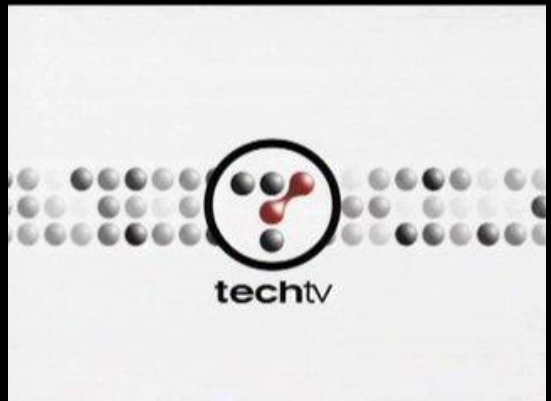

Martin: Creature of the Night?

Creature of the Night!

Patrick: What the @#\$# was that?
Martin: I don't know, but it sure as hell beats anything ever shown on the show

We'll be right back ...

"Eye Drops."

Patrick: You can say that again ...
