

CRAZY DAYS AT TECHTV ...

Leo: You sure you didn't get the Memo about it being cowboy day?

Leo: Patrick, stop laughing. Come on, I'm serious! I got a memo, really I did!

Cowboy... cowboy ...*

Well I'm packin up my game and I'm a head
out west

Find a nest in the hills chill like Flynt

And I'm a Kid Rock it up and down your block
With a bottle of scotch and watch lots of
crotch

Give a toast to the sun, drink with the
stars
Get thrown in the mix and tossed out of bars

Where real women come equipped with
scripts and fake breasts

Buy an old droptop find a spot to pimp

Buy a yacht with a flag sayin chillin the
most
Then rock that ::censored:: up and down
the coast

Sip the teajuna... I wanna roam
Find the old town chillin fools then come
back home

Start an escort service, for all the right reasons
And set up shop at the top of four seasons

Kid Rock and I'm the real mccooy
And I'm headin out west sucker,
because I wanna be a ...

Cowboy baby
With the top let back and the
sunshine shinin

Cowboy baby
West coast chillin
with the Boone's Wine

I wanna be a
Cowboy baby
Ridin at night
cause I sleep all
day

Cowboy baby
I can smell
a ::edit::

from a mile away

Leo: I said: TURN THAT ::censored: MUSIC OFF RIGHT NOW! I love it, I really do, but I'm trying to talk to Peter! No, really, I love Kid Rock, if I wasn't married I'd marry his mom, seriously, but this is really important!

Michaela: Sorry Leo.
James Kim: Yah, sorry.

Leo: So much for the NEW Techlive. Anyway, Peter, you were saying ...

Peter: If I can continue, Leo, word from Washington is that the Microsoft Focus Groups TM have finished their reviews of the station and big changes are coming.

Leo: What kind of changes Peter, not budget cuts on the Screen Savers again, right? Not wardrobe! NOT AGAIN!

Peter: Don't worry, Leo, your hair in a can budget won't be slashed, but overall, we are talking about changes on the level of something out of a cheesy comic strip cliff-hanger ending ...

Leo: Oh dear god.

The End???
