

CRAZY DAYS AT TECHTV ...

Martin: You ready to do this?
Patrick: This so ends our deal; I'll find my own dates on the Internet from now on.
Martin: Okay we're on in 5 .. 4 .. 3 ..

Martin: Hello Mr. and Mrs. America!
Patrick: Hi Mom!
Martin: Mr. and Mrs. America, it's me, Martin. I'm here to tell you about some changes that are happening at your favorite strip based on your favorite TV show and mine, the Screen Savers!

Martin: Now Mr. and Mrs. America, I know that you're probably worried that the Windows XP coverage is taking over our fine little strip here. Some of you may note that it may be coming at the expense of, oh, the usual attempts at funny ha-ha gags and delightful romps through all things wonderful and silly.
Patrick: Yah like get on with it already. We want FUNNY!
Martin: Thank you Pattie-Poo.

Martin: Anywho, I'm here to assure you that things will get funny again soon. In fact, sooner than McNubbins, my roommate, finds that we lit his mustache on fire again while he slept causing wild third degree burns to most of his face, you'll

Martin: I also want you to know that regardless of what you hear on Leoville ...
Patrick: Leo is a dirty dirty man.
Leo: Say what?
Martin: ... there will be no significant changes to our primary cast of characters!

find something to laugh at right here in our little strip!

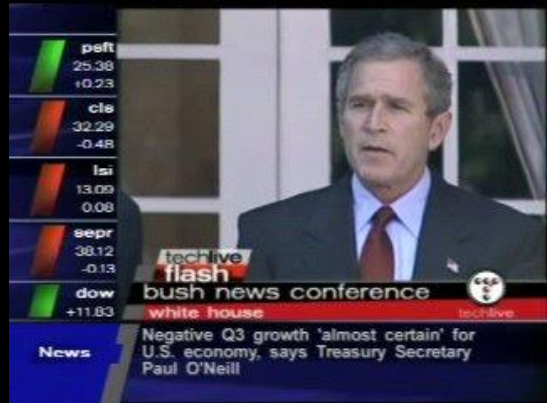

Martin: We'll still feature the same lovable scamps that you've known and despised for the past eight seasons!
Patrick: See! He hadn't showered in this picture.
Martin: That's nice, Patrick.

Martin: In fact, let's take a minute to see previews from upcoming seasons.
Patrick: She's pretty. I want her to be my new mommie.
Martin: Okay ... Let's start those clips!

Martin: In the near future our strip may or may not feature things like: An appearance by our beloved president.

George W.: My Fellow Americans, I deny wearing man-panties. I don't know how they got in my bag. I think they may belong to Dick Cheney, I do not know, but my boys would rather ride free in the great air of Texas than be saddled by anything more than a rope and blanket!

Martin: Expanded roles for our fat chat monitors.
Patrick: I think that's "Phat," dude.
Martin: Whatever.

Cat: Huh huh, dumping Beavis was like, you know, like the best thing I could like ever do! I'm like, you know, like filling in for like you know that tall guy who replaced like that funny guy like on the like show you know like. That was so great! Go me!

Martin: A new and exciting look for our set.

Patrick: Ha! Plastic hair is so far away now that he can't see me setting his homepage to Dvorak.org. This is going to rule!

Martin: Verboten love.

The Gnome: LEEEEEEEEEEEEEEEEEOOOOOOOOOO! Does my butt look big on this monitor?

Martin: Appearances by shapely TechTV personality Kris Kosach.
Patrick: She's a hottie!
Martin: That she is.

Kris: No Yoshi, I will not stand still so you can test out your tazer. Last time I let you do that Patrick was walking around in one of my dresses for the next week!

Martin: And the misadventures of that lovable scamp, Martin Sargent, in several well known night clubs in Thailand!
Patrick: Thailand?
Martin: The technology capital of the far east!
Patrick: Uh-huh.

Martin: So okay if you come back to my hut and I'll make sure your village has a never ending supply of Screen Savers Magnetic Picture frames.
Girl: Get lost, American swine.
Martin: Dammit, this never happened to my obscure Bloom Countian Hero, Lawyer Steve Dallas!
Girl: Geek.

Martin: We may also feature some or none of the following clips ...

Dvorak: Dvorak hate "Friends!" Monica make Dvorak gag! Phoebe va-va-voom. Dvorak smash Chandler! DVORAK SMASH!

Kris: See, Liam and I aren't munchkins, the world is just taller than we are!
Liam: Tally ho, old chap!

Larry Ellison: Love, Love will keep us together ... come on, everybody SING!

Jennifer: Witnesses say that former TechTV chat host Anne Papina then stole said space shuttle and used it to moon the entire university, most of the West Coast, and, of course, the TechTV studios. Hence the lawsuit.

Ray: Darn that Sessle stick, I should have registered ILoveKateBotello.org first! Darn him all to heck!

Tilde Mk2: You shall watch the Screen Savers. Leo is your savior. Buy his book or you'll be lost. Buy his book. Buy his book ...

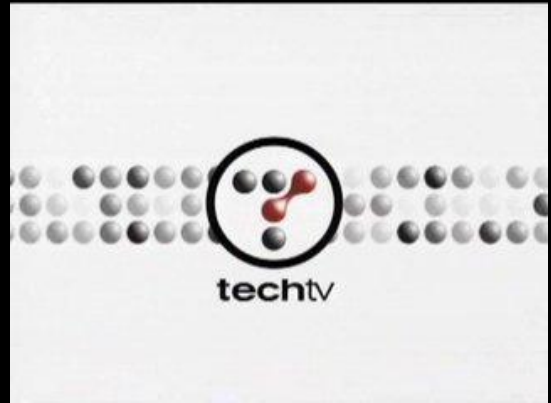

Morgan: Kate, what's wrong, what's wrong?
 Kate: You've got to hide me, all the boys have been infected!
 Morgan: Hormones?
 Kate: Hormones!
 Morgan: Oh dear god.

Martin: Oh wow, we're going to be having a lot of fun in the near future. Don't you think, Patrick?
 Patrick: Uh-huh.
 Martin: So, Mr. and Mrs. America, stay tuned! It gets so much better than this!

Martin: The Screen Savers, featured on One Day at TechTV, returning with all new and FUNNY episodes sometime soon!
