

FESTIVE DAYS AT TECHTV ...

Megan: Hi Gnomie.
The Gnome: Hi Megan.
Megan: Whoa, what's wrong?
The Gnome: Nothing.

Megan: Come on, Gnomie, there's got to be more to it than that. Tell Mama Morrone what's up and I'll give you a cookie and some warm milk after your show. Would you like that?
The Gnome: Chocolate chip?
Megan: Fresh baked.

The Gnome: Okay, fine. I'm just down, that's all.
Megan: Down, down about what?
The Gnome: Well, it's a week after Halloween and my candy just ran out.

Megan: Gnomie, that one is simple. If you went out and bought some more candy it'd be Halloween year round.
The Gnome: Huh? I never thought of that.
Megan: Problems are easy to fix if you put a little thought into fixing them.

Megan: Now what else is bugging you, Gnomie?
The Gnome: Well, you're my third co-host in a week. They've also changed our time slot to 2 PM Eastern, you know, the slot that killed Dvorak. So I'm kind of worried.

Megan: Well, I can't do anything about

the time slot, but I can tell you that I'm not your new co-host
The Gnome: Huh? You're sitting here, aren't you?

The Gnome: Last time I dressed up and danced like that, Paul Block gave me 3 weeks paid vacation.
Megan: I so don't want to think about that.

The Gnome: A surprise? Like a secret?
Megan: Yes, that's right.
The Gnome: AT TechTV? Come on! Secrets get passed around here faster than pictures of Brett Larson at a prison rodeo.
Megan: Eww. Sorry, I'm not telling.

The Gnome: Okay, I'm sorry Megan, may I please have a hint to who the co-host is.
Megan: Yes, you may. In fact, I'll give you two hints.

Megan: Well, I'm just sitting here until Morgan is done asking for a time off.
The Gnome: Red dress and loud 90's music?
Megan: How'd you guess?

The Gnome: So you're not my co host who is, then?
Megan: Can't tell.
The Gnome: Why not?
Megan: It's a surprise.

The Gnome: As host of this show I demand you tell me what the secret is!
Megan: Now Gnomie, that's no way to act. If you calm down and ask me nicely, I might give you a hint to who she is.

The Gnome: Ha, toots, I don't need your hints when I know where you're hiding her!
Megan: Gnomie!
The Gnome: Enough of Mister nice Gnome! Let's go to the booth! I saw you talking to her before the show!

Megan: Way to go psycho there, Gnomie, but I'll tell you that you're wrong in this guess. She's not the girl in the booth.

The Gnome: See! I told you! It's shorty! She's watching on her Nokia communicator! This is some sort of plot now to zap me!
Megan: No, Gnomie, it isn't.

The Gnome: Oh yah! Let me be the judge of that! Go to booth cam, I want to prove that I was right!
Megan: It's your funeral.

The Gnome: It's payback for singing that classic hit song "Short People" over the PA system during her birthday party isn't it? Well dammit, finally there's someone shorter than I am and I have a right to gloat!
Megan: Oh Gnomie.

The Gnome: Well she's not coming into this studio! Security, bar the door! She's coming to blast Leo! Yah, Leo! Hurry, or you'll be responsible for the death of the real star of the network!
Megan: That's not going to work.

The Gnome: Huh? It always does, those boys would throw down their lives for Leo.
Megan: No, I meant ...
The Gnome: Hey, why are her eyes glowing like that? Oh no!

::Zaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaap::

The Gnome: So that was my surprise?
Megan: No, Gnomie, that was a random act of aggression from a girl you shouldn't mess with. Your real surprise is ...
The Gnome: This better be good.

Megan: Oh, it is. Just turn to your left.

The Gnome: What? Who dat? Who dere? Oh no

We'll be right back ...

...

Megan: Meet your new co-host.

The Gnome: Not her! Anyone but her!
