

brand new days AT techtv ...

Sumi: How did it go?
Han: Take the receipts out of my pack and you can see for yourself.

Han: I even have an itemized list of everything you asked for.
Sumi: And the total cost?
Han: Spiking the Red Bull, \$120. Driving the horny half-drunk Raiders fans to the ship, \$1000. A day of chaos in downtown San Francisco, priceless.

Sumi: Heh. Heh. Heh. That gag never gets old. Kris Kosach, your day or reckoning is here! Mohahahahahahaha.
Han: Sumi, you really scare me.
Sumi: I scare everybody. Deal with it.
Han: Right. I think I'll be waiting in the car ...

Erica: Turning to domestic news, the annual "Red Bull Gives You Wings" flying man contest turned to tragedy today as some forty-five winged and unwinged competitors threw themselves off the deck

of an aircraft carrier in the name of love? Oh boy ...

Erica: Let's go to our reporter live on the scene. Kris, can you hear me?

Kris: Stop it, you idiots, don't do it! It's not worth it! Life is too precious!

Man: We will give our lives in the name of the great lady! Jump! Jump!

Crowd: Jump! Jump! Jump!

Man #2: I give my life in the name of the beauty! One second in her presence is worth my life! AIIIIIIIIIIIIIIIIIIIE!

Kris: Erica, can you hear me? It's horrible! Men are just flinging themselves off the deck of the ship in the name of love!

Erica: How totally odd, yet how totally in character for an event this network would officially sponsor. Any word on the identity of the woman they're sacrificing their lives for?

Erica: I guess that breaks the stereotype about men walking around in purple wizard outfits on the streets San Francisco. I'm petrified. Kris, Kris, so who is the girl they're all literally dying to meet?

Erica: Well that's a big hint to her identity, isn't it?

Man #3: All hail the goddess! I shall give my life for just a second in her presence! All hail! Now I must die! Boo-yah!

Men: We love TechTV and we love the goddess! AIIIIIIIIIIIIIIIIIIIIIIIE!

Kris: Erica, it's horrible, these men keep seeing me, getting stars in their eyes, and then throwing themselves off the deck of the ship in the name of love!

Kris: Shemp, what are you doing? Not you too!

Kris: Shemp, you HAVE my number already! We spent three hours together today alone!

Kris: What about your wife and kids? Think about them! Think about them Shemp, just stop thinking about me!

Kris: Shemp, come back! I'll sit on your lap on the ride home and pretend that I'm Yoda -- anything!
Shemp: I give my life in the name of the great lady! AIIIIIIIIIIIIIIIIIE!
Kris: NOOOOOOOOOOOOOOOOOOOOO!

Erica: Shocking. Just another typical day in the life of Kris Kosach, TechTV hottie. After the break we look at exclusive out-takes from the recent Michael Jackson documentary. Stay tuned!

Martin Bashir: As I approached Neverland Ranch for our final interview I was filled with a sense of dread. There were answers needed to questions Michael had dodged.

Martin Bashir: Were his children clones?
What was his connection to Bill Gates?
And by god, why Martin Sargent ...!

Sweeps week continues after this break!
