

# missing those days at techtv ...

Erica: And we're back. In our last segment we had a problem with a cloned staffer. We apologize for her report and assure you that we're getting to the bottom of the wave of indecency that seems to be gripping our fine station.

Erica: I harken back to the time where I, myself, was replaced for a time by a Microsoft powered Femmebot. She went on many dates and made my life a living hell until I was safely returned to my family by a kind doctor.

Erica: With that said, we turn our attention to the controversy surrounding tonight's Showtime Boxing event as Martin Sargent, or someone pretending to be Martin Sargent, dressed in drag to pummel former heavyweight champion Mike Tyson. Let's go to pre-recorded comments from Mr. Tyson.

Commentator: Mike, Mike, what happened

Mike Tyson: Who dat, who dere?

out there? How did Martin deck you like that?

Mike Tyson: That wasn't no Martin Sargent, man!

Commentator: Mike, come on, obviously that was Martin Sargent in drag.  
Mike Tyson: I'm telling you that ain't no Martin Sargent, man.

Commentator: Mike, maybe your brain was scrambled ...  
Mike Tyson: I'm telling you man, that man had natural boobies ... and the look ... the look of anger and the raw emotion ...

Mike Tyson: That, that ain't no man, man. I been divorced three times now, I been in the cell man, I know that look ... it wasn't no man, man!  
Commentator: Oh dear god.

Erica: "It wasn't no man, man." What does it mean? Does he mean that the man who punched him out was a woman? Or was the woman who punched him out a man? Excuse me, my own brain seems to be scrambling itself.

Erica: I am strong. I am powerful. I am sexy. I am ... Wonder Erica! No one can stand up to my might!

Erica: You know, if Geraldo Rivera stopped and did that once in a while he wouldn't get in the trouble that he does.

Erica: Let's just go to the prime suspect in this situation right now. Hello Patrick, can you hear me?

Patrick: That's Renuit "Hedgebob" Zaflongleburger now, Erica.

Erica: Right. "Renuit," let's get right to the point: Was that you in drag who punched out Mike Tyson tonight?

Renuit: Erica, the followers of the great MAC do not believe in confrontation to achieve success.

Erica: Renuit, that's crazy, come on, you can tell me. After you've previously saved us from Godzilla and the Gremlins you got out Dolores and took on a bigger monster tonight, right?

Renuit: No, no, no! No more fighting for this vessel. You must understand that those who follow the great Steve Jobs believe that passive resistance and happy thoughts will stop such atrocities as the Microsoft infidels from taking our remaining 0.6% of the computer market place. None of us would take part in anything involving violence such as what you describe. Crossing dressing, yes, fighting, no, no, no-diddly-no.

Erica: Patrick, you weren't dropped on your head recently were you?

Renuit: Again, my name is Renuit, if you will not respect my wishes then this interview is over. Good-bye.

Erica: Patrick? Renuit? Don't hang up, don't hang up -- well crap. If it wasn't Patrick Norton dressed in a tan top, a amazingly huge bra and a blonde wig -- who could it possibly be?

Erica: I guess we'll never know. We'll be right back.

More Sheer Crap When We Come Back!
