

EXTREME DAYS AT TECHTV ...

Patrick: Must kill DVD players! Mother loves a himbo!
Sumi: Whoa there slugger.

Patrick: Kill? Kill all dead?

Sumi: No, not just yet, Patrick.

Patrick: NO?

Sumi: Not that it's out of the question; however, I don't need you to do it at this time.

Patrick: NO smash? No?

Sumi: Patrick. Listen. Good boy. Patrick, I require a man. A strong angry man. An Alpha male. Someone who can ...

Patrick: Smash the good smash?

Sumi: Err, why, yes, in a sense. As you know, I've built an army of female clones ...

Patrick: I'm in.

Sumi: Just like that? You haven't even heard my plan yet.

Patrick: Girls. Smash. Good!

Sumi: No "Sumi, what's this all about?"
No "Sumi, who is the girl?" No "Sumi, can I go to prison for this?" Just "Smash" and that's that?
Patrick: Smash good. Girls good. Smash, Patrick, Smash!

Sumi: Excellent.

Where did this come from? Ut-oh!
