

CUSTARD FILLED DAYS AT TECHTV ...

Michaela: ... and we're back on Techlive.

Michaela: We've lost contact with our own Becky Worley, who was tracking the green-skinned rampaging monster that has left a path of destruction through Southern California.

Michaela: Becky, if you're out there, come home safe. What we saw scared us.

Michaela: Let's go to our own Kevin Rose in the Screen Savers' studio with an update on the monster's location. Kevin can you hear me?

Kevin: Hi Michaela, I'm joined by my beautiful and talented girlfriend Sarah Lane.
 Sarah: You forgot "lovely," you putz!
 Kevin: Right. My beautiful, talented and LOVELY girlfriend Sarah Lane.
 Sarah: That's better, idiot, don't let it happen again!

Kevin: My sweetie and I are tracking the monster's path of destruction through the latest satellite tracking devices. Isn't that right dear?

Sarah: No, we're not.

Kevin: Honey, yes we are. we've got a little map and everything.

Sarah: Don't question me again! I said that we're not tracking the monster and that's how it's going to be!

Kevin: But honey, see, the satellites are zooming in to Southern California to find the monster ... wait a minute, this is Kansas City, Kansas. How could the monster get all the way out there?
Sarah: So he's in Kansas City, eh?
Kevin: Who? The monster can't fly. So who are we tracking?

Sarah: Kansas City, heh heh heh. I knew I'd find him!
Kevin: Who, honey, who?
Sarah: Shut up, moron. It's my business and not yours!
Kevin: K.

Sarah: Now Listen up SPAZNUTZ376@lw.com, I know where you live! You left a mean comment in my blog and I'm going to hunt you down and skin you alive! You thought by posting anonymously that I couldn't find you? Post again, and we'll just see about that!

Kevin: Honey, that's not nice.
Sarah: Shut up, you incompetent idiot! You have all the girls on the net fooled. "Oh Kevin Rose is a hunk!" Well listen up, you fools, he's a moron! But he's MY moron, so back off!
Kevin: Honey! You're being mean.
Sarah: Shut up! Shut up! Shuuuuuuuuuuuuuuuuuuuuuuuuup!

Michaela: Gee, ain't love grand, folks? We'll be right back.

Love, Exciting and New! Stay Tuned!
