

TRYING TO FORGET THESE DAYS AT TECHTV ...

Lindsey: Election day mania grips TechTV.

Lindsey: Hi there, I'm Lindsey Arent, filling in for Michaela Pereira. It's election day in the great state of California and there's a lot on the line.

Lindsey: But more importantly, today decides the fate of not one but TWO Microsoft-backed candidates for Governor from our very our TechTV. Which one will take the estimated .001% of the vote and, more interestingly, which one will keep their job here at the network?

Lindsey: We thought we'd ask some of our own employees what they thought of this election. Let's go to the file footage ...

Don "the Fa-Fa" McHuard: So you deny doing anything to me cousin? Aye, I think you're daft, evil one! I shall call St. Patrick himself to call the snakes out of your trousers, evil wench!

Sarah: ::Growl:: ::Snort:: ::Spit::
::Curse::

Don "the Fa-Fa" McHuard: I don't care who yer related to! I'll bring the druids of me ancient Isle to take care of ye arse! Take that ye darkened creature!

Kevin: Oh, she's cursing and spitting. I'm SO hot right now. Should I stop her from killing him? Nah, oh man. Look at her ... my nipples are hard!

Patrick: Patrick no like talk like Hulk! Patrick want storyline resolution! No storyline resolution? PATRICK SMASH!

Yoshi: What? You actually care what I think? Oh my god, oh my god!

Yoshi: The invisibility potion wore off! You can see me again! Alright! I've been following this election closely and I've got a lot to say!

Yoshi: Frankly, I think it will be a clean sweep for one of the candidates from this very network. Here, let me show you my formulas with my dremmil tool
....

Yoshi: AAAAAAAAAAAAAAAAAAAAAH! NOT AGAIN!

Lindsey: Simply frightening. We'll be right back.

The Super Election Special Continues!
