I play that day back in my mind each night before I sleep. How could they take control of things so quickly?

Kris: Hi! I'm a beautiful and talented TV star! Can I come in to play with your computer? ::giggle::

I'll tell you how. They had a secret weapon ...

Kris: Oh, you're a big strong man, can you leave the room for a minute while I upload some naughty things to help take over the internet? Oh you will? Super!

It's not surprising that they found 10,000,000 geeks that day. That's easy enough. What was surprising, however, is that the competition took so long to figure out what was going on ...

Sarah: ::cough:: I wish this stupid cold would go away. ::snarf:: Are these the sounds I'm making? Dear god, no wonder the priest thought I was demonic!
Jessica: I like cookies! Yay cookies!

Jessica: I like chocolate chip!
Sarah: Woot! Me too, ::cough:: sister!
Wait a second. We have a situation here ...

Sarah: Kevin Douglas Adams Rose, what do you think you're doing? This is my segment and you should be paying attention!

Kevin: There, one more calculation and my Kris Kosach wallpaper will be perfected!

Sarah: What was that? WHAT DID YOU SAY?

Kevin: Scotty? Can you hear me? Beam me up! Beam me up now! Dear god! Heeeelp meeeeeeeeeeeeeee!

... and the war was on ...

It Will Get Better ...
