Patrick: Kevin, you should take advantage of this situation and look at your options.

Kevin: Options? She's been gone three minutes! What sort of options do I have?

Patrick: I'm going to tell you three words that will explain your options. In fact, it'll make everything right in the world.

Kevin: Make everything right? What three words will take the place of the love of my life? The girl of my dreams? The sole woman who has my heart? Huh? What words are you going to say that will change everything?!?!?
