

The end of TechTV ... ???

Bill Gates: Status report, Mr. Allen?
Paul Allen: Sir, it's bad.
Bill Gates: How bad?
Paul Allen: Topless Leo Laporte bad, sir.
Bill Gates: Oh dear god.

Paul Allen: Agreed. He could have helped if only you hadn't burnt your bridges.
Bill Gates: Oh shut up.
Paul Allen: Okay. Okay. Here's the update: the hackers are using the reality altering Cousin Stevie Virus in conjunction with the Microsoft Divinity Sweet to change their worlds.

Paul Allen: As they change things, they are making ripples in reality as we know it. Reality is trying to compensate to hold itself together, but there seems to be a strange bubble in the its' fabric that's preventing it from shutting this attack down. Strangely enough, the bubble seems to have emanated from TechTV's set some ... three years ago?

Bill Gates: Damn that TechTV!

Paul Allen: I say that every day, sir.
Bill Gates: What can be done?
Paul Allen: Well I think we can -- wait,
there's something new coming on the
viewer. Oh my god, it's ... an attack of
reality TV?

Rob M.: I ain't gonna whine, I ain't
going to complain. It isn't fair and they
know it.

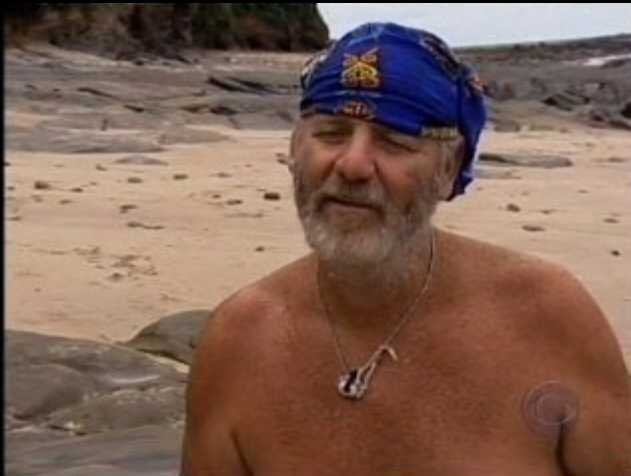

Rob M.: Putting new people in the game
after 28 days! I had it in hand. Me and
Am-buh we're going home the winnahs!

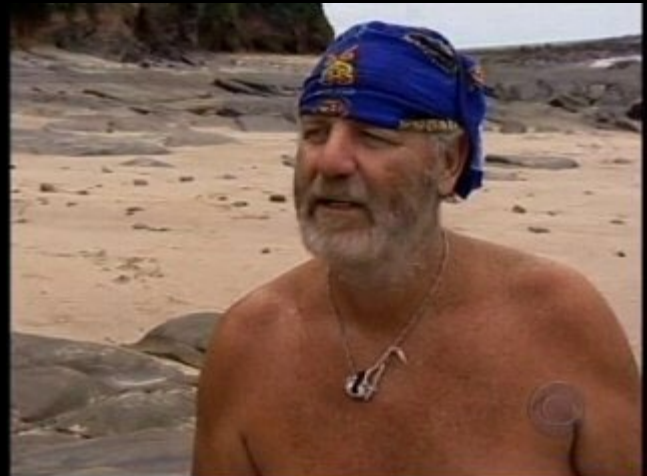

Shii Ann: They called me a bitch. Well
the joke was on THEM once the merge
happened and these new people showed up!

Shii Ann: They think that they know
bitchiness? They don't know anything yet!
This new girl ... game on!

Big Tom: Hell yah that there woman came
in all hot to trot and the guy was behind
her nodding his head left and right. I
know he was feeling it because she was
putting off pain like a mule in heat.

Big Tom: I don't know if everything is
going to be all right. I just know it's
some new girl here to watch over when
she's not looking. The barn is easier
watched from the back of the mare's
saddle. Hear me?

Rupert: Why did I ever bother coming back for a second season? This twist? This twist wasn't nice. This twist makes me angry. You won't like me when I'm angry! He-yaaaaaaaaaaaaaaaaaaaaaaaaaaaaah!

Rob M.: So there you have it. Me and Am-buh's plans to be the top couple were screwed all to hell when these people showed up. I don't know what's gonna happen, man, but it ain't gonna be pretty ...

Sarah: Why is everybody looking at me like that?

Strange. Continue. Next. Yes!
