

The end of TechTV ... ???

Sarah: Why is everybody looking at me like that?

Sarah: Oh, that's right you realized that this is a game. This is TechTV Survivor now and I'm in charge.

Kevin: I'm in charge now too, right?
Sarah: Will you shut up? You're not in charge, only me. I'm the Queen. This is the Sarah Lane Show and I'm America's Sweetheart! You're some nothing boy toy!

Sarah: But they all knew that, didn't they? They knew that with the network being canceled and all, that I have the ultimate power. I have an "in" with Comcast. I know what wheels to grease. Heh. I am the Sarah-father, so to speak.

Sarah: So if you want your jobs, you're going to have to pay tribute to me. Now that I got rid of Leo, I'm the sole remaining megalomaniac at the station. I control everything and you're going to worship me as "America's Sweetheart" if you know what's good for you!

Sarah: I know it's going to be an easy transition from worshipping Leo to worshipping me. I mean look at me, I have a body to die for and a hot boyfriend that you ALL want!

Sarah: You're going to get used to my reign. I promise that I'll be good to all of you, all of you who bow down to me!

Sarah: So, what do you say? Are we tight or what?

Exterminate! Exterminate! Exterminate!
