

RELIVING THOSE DAYS AT TECHTV ...

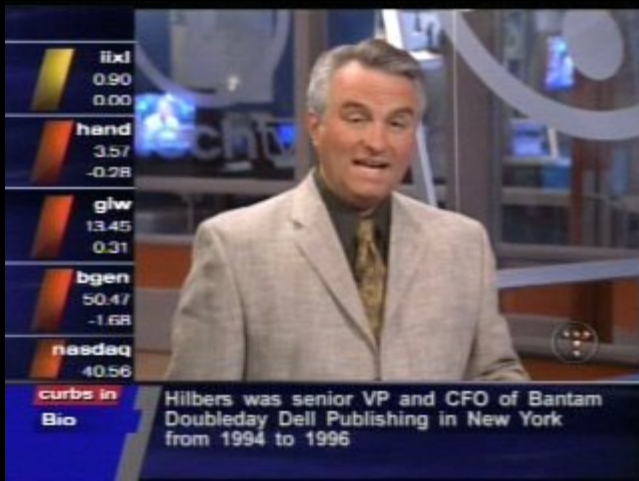

Leo: Hello Mr. and Mrs. America, it's me, Leo. You may have noticed that when I'm not saving the future from evil robot empires, I spend a good deal of time alone. So I'm letting you in on my search. My quest to end my lonely life. That's right, I'm going to let you in on my search for ... an apprentice!

Leo: "Boogie" Bill Tucker. Stock market genius and all around ladies man. Your resume says that you'd be an all-around asset to the Laporte Brande TM and the Laporte Empire as a whole. In fact, I'd be insane NOT to pick you as my apprentice. You could rule the world one day just from your charisma alone.

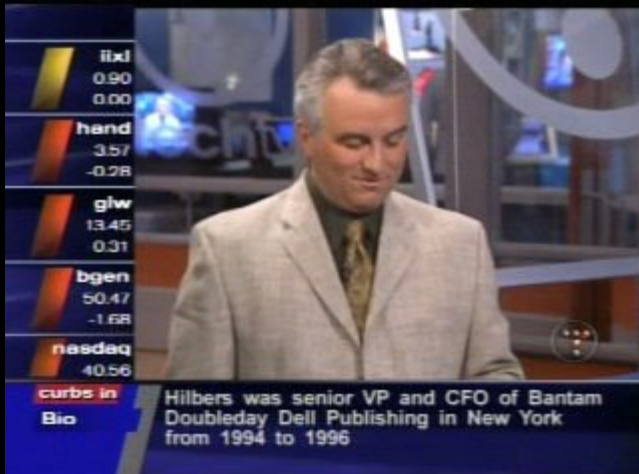

Boogie Bill: That's mighty kind of you, my little Boogiester. The Boogiettes ...
 Leo: That's the problem. While you'd be great in my empire, you'd always get more chicks than I would. YOU'RE FIRED!
 Boogie Bill: This is Boogiehorrific in the worst way!
 Leo: Indeed.

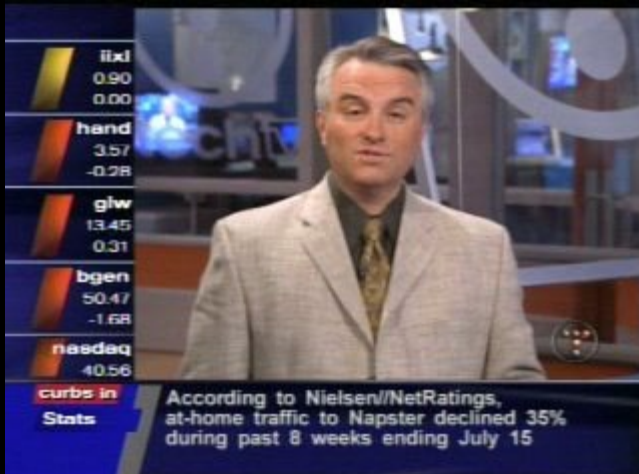

Leo: Gary "Blue" Nurenberg.
 Gary: Sir, yes, sir!
 Leo: You're my boy, Blue!
 Gary: Sir, yes, sir!
 Leo: Do you trust me with your life, Blue?
 Gary: Sir, yes, sir!
 Leo: Do you trust that I'll make the right decision in this contest, Blue?

Gary: Sir, yes, sir!
 Leo: Good, YOU'RE FIRED, Blue!
 Gary: Sir, what, sir?
 Leo: Anyone who would trust me with their life is obviously insane!
 Gary: Sir, sanity sucks, sir!
 Leo: It's overrated, Blue, for sure, but you're still fired! Now drop and give me twenty hard ones!
 Gary: Sir, yes, sir!

Leo: Kristen Dahlgren. Ah, sweet Kristen. I won't hold your thing with Steve against you. I also won't hold our fling in the future, our sweet sweet crazy fling, against you. We both know how you we obsessed with me. Oh those nights ...

Kristen: Uh. K.
 Leo: Wait.
 Kristen: Wait?
 Leo: That wasn't you. You never returned my call or cheap come-ons. YOU'RE FIRED!
 Kristen: What?

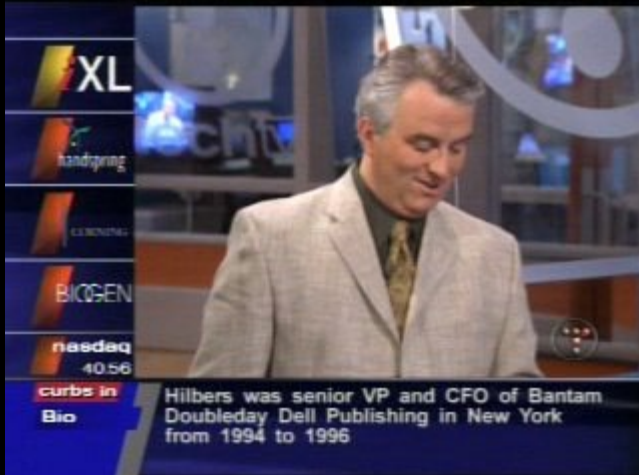

Leo: John C. Dvorak, my mentor and best friend in the world. Why we've had some

Dvorak: Now wait a minute, you pencil-necked ...
 Leo: And I'm taking over your show too.

great times. But you know what? You're no longer needed. YOU'RE FIRED!

Tell your staff that there's a new King Spinner in town!

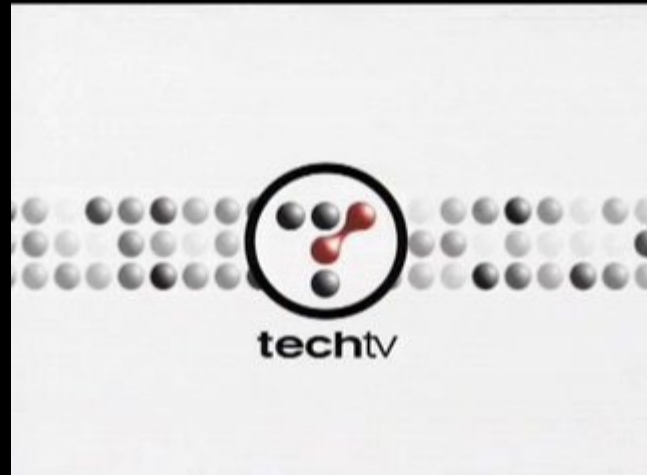

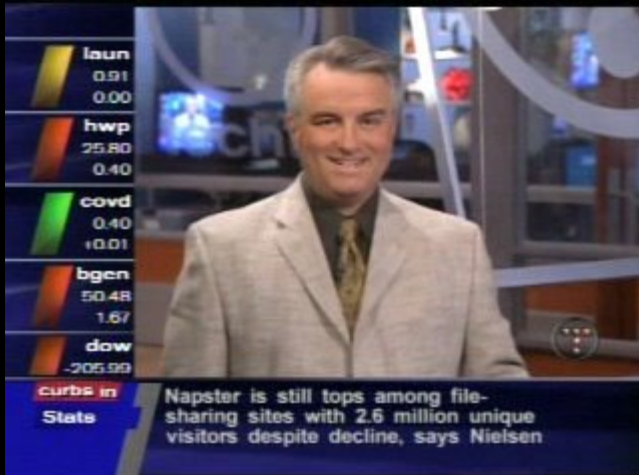

Leo: James Kim ...
 Hahn: That's Hahn Choi.
 Leo: Hmm. Okay. Would you be willing to drop the extra "h" from your name and be cool like that guy in 'Star Wars?'
 Hahn: What?
 Leo: Not "Han Solo" but "Han Choi, Action Hero!"

Hahn: No.
 Leo: Do I have to say the words?
 Hahn: I'm fired?
 Leo: You're bright too! James Kim, you can come back to my studio to visit your old job at any time!
 Hahn: Joy.
 Leo: I love it!

Leo: Steve Abrams ...
 Steve: I'm fired, right?
 Leo: What was that? I'm having trouble hearing you. Perhaps you can repeat that a bit louder so the folks at home can hear you.

Steve: I'M FIRED!
 Leo: I like the way you say that. But you're still fired. Don't let the door hit you on the butt on your way out.
 Steve: #\$\$\$@'ing Laporte.
 Leo: That's me! Yay, go me!

Leo: Paul, bring in the next batch of candidates. My search continues after

these fine messages!
Paul Block: ##@'ing Laporte.
Leo: I heard that!

The Search Continues!
