

# RELIVING THOSE DAYS AT TECHTV ...

Leo: Hello Mr. and Mrs. America, it's me, Leo.

The Gopher: Sir! We don't have time for this! We must find Bill Gates and Paul Allen before they get away!

Leo: Now, now, my pet, there's always time to sit down in my new flying mobile command center and address the American public.

Leo: Now, to the issue at hand. Folks, on a recent broadcast of 'Techlive,' anchor person Michaela "Wide Load" Pereira made some categorically untrue comments about me. They were based on things in my personal life and I will not dignify them by recognizing them in this forum. I am a good father, an upstanding citizen and you all know my reputation. It is the

Martin: See, when I squeeze my hand just like this, it sounds like a fart.  
Adam: Amazing! How does he do it folks? Throw money at us!  
Martin: Now, listen, stereo!  
Adam: You can do it with both hands?  
Martin: Hands?  
Adam: Eeeeeew. Oh, we're on camera! Guy,

only answer you need. However, I am taking questions about anything else from two award winning journalists right now. Gentlemen, I'm ready.

Leo: Well, that's a good question. Since we're being frank, frankly, no. She's not. In my opinion, her genetic structure and low breeding cause it. I mean everyone knows about her three uncles that thought they were the stooges and had to be locked up. No that I'd ever say anything bad about anyone.

Leo: Michaela is a troubled individual. We've all seen the disaster that is her personal life. Let alone how she did when we gave her the ball on 'Internet Tonight.' While I'd probably still add her to my harem for those lonely nights when I need variety, anyone who interacts with Michaela knows what I mean when I just shake my head and say "she's not right."

read your line.  
Martin: Me? Oh. Lemmie look. Leo, is Michaela Pereira in her right mind?

Adam: Dude! Good answer! Good answer!  
Martin: Yah, didn't deviate from the TelePrompTer at all!  
Adam: Yah, let's see what he does with this next one.  
Martin: Homosayswhat?  
Adam: What? Dude! Oh, question, Leo, what is Michaela's problem anyway? I'll get you for that Marty-Farty!

Martin: What about all them other girls what said that you weren't right?  
Adam: Yah, Erica, Robyn, Anne, Kristin, Blanche, Kate, Cat, Jessica, Morgan, Sarah, the Gnome and the list goes on and on?  
Martin: The Gnome was a guy.  
Adam: Uh, no, because if he was a guy, how did I get to third base with him?  
Martin: That's so wrong.

Leo: Indeed. Erm. Gentlemen, when you achieve a position of power like I have, naturally there will be women attracted to you for the right and for the wrong reasons. All of these women entered my life, I cherished my time with them, but ultimately, I'm going to save them some dignity here. Women of the world, I am a good, kind hearted man, I'd never speak ill of those I've loved, been loved by or made love to.

Martin: Even if they were all out of their gourds!  
Adam: One even called you at home! When he was with another girl!  
Martin: They're all nuts!  
Adam: It's the only way to explain how they'd be attracted to him!  
Martin: Dude.  
Adam: What?

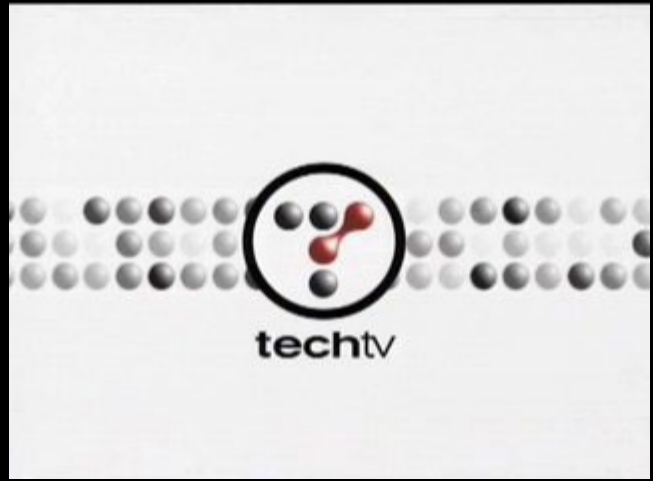

Leo: Yes, Martin, Adam, if you want to categorize them as crazy, nuts, loose, wild in the sack, I would not deny that. But what matters most is that America understands that I'm a fine upstanding citizen and their daughters, ages 17-25, will be safe in my harems. For their own protection, of course. With that I say goodnight and God bless you, the American People. Your nubile mynx-like daughters will be safe in my hands.

The Gopher: Sir, sir, Gates and Allen are on the move! We think they're going to get away! We must do something!

Leo: Oh, they're not going anywhere ...  
anywhere that I can't see them, that is!  
Prepare the landing ships, lads, we're  
ready for WAR!

When it Rains it Pours! Toodles!
