

RELIVING THOSE DAYS AT TECHTV ...

Leo: Attention citizens of Earth. This is a message for known criminals Bill Gates and Paul Allen.

Leo: Gates, Allen, I have someone here who has a special message for the both of you.

Girl: Uncle Leo, are you sure this is okay?

Leo: It's okay, honey, this is the Bush America, anything goes as long as we give the proper kickbacks. I love it! Just love it!

Girl: Okay, Uncle Leo. Umm. Guys. Uncle Leo says that if you come out of hiding I'll umm, like, you know, we can like hang out and stuff ...

Leo: Go on, dear.

Girl: You're still buying me a convertible for this, right?
Leo: Would I lie to you?
Girl: Would you put it in writing?
Leo: I've taught you well, young one.

Girl: Okay, like, if you come out now I'll let you both be my boyfriends. You can kiss me and stuff. But no touching! I'm a good girl!

Paul Allen: Why would anyone be tempted by kissing an 18-year-old girl? I don't get it.
Bill Gates: What was that, Allen?
Paul Allen: Nothing, nothing at all sir. Just more propaganda.

Leo: Okay Allen, Gates, if you come out of hiding you can be my niece's boyfriends AND I'll throw in a copy of "Po Leo Yo's Guide to How to Give an Innocent Young Girl a Bath While Convincing Her You're Her Uncle 2004!" Autographed!
Girl: Hey!

Paul Allen: Sir, sir. We must reply. In fact, where's that microphone? I'll take him down a notch or two! Listen up, Laporte, we're not coming out! Not for your teenage hussy, not for your promises of freedom! We're going to fight you to the very last geek!

Leo: Oh, really? Is that what your leader has to say?

Paul Allen: Yah, yah, it is! He'll tell you. Tell him, sir!
Bill Gates: Right-o, enough of this nonsense, Laporte, we surrender.

Paul Allen: Say what?

The End ... ???
