

hey boy what's going on with the  
Playboys what's going on out there in  
the land of YouTube what's going on  
YouTube  
is having a good time today waiting for  
my plane I'm a little  
of Aid and so I had a couple minutes  
here I thought I would just jump on real  
fast  
um just so you guys know  
um  
I get to hear everything that people say  
I get to see everything I get to hear  
everything it's a real blessing that so  
many people are on my team and share  
information with me I'm super super  
grateful everybody do me a favor hit the  
like button whether you're watching this  
now or watching this next week next  
month or next year take a couple seconds  
if you would please hit the like button  
foreign  
let's let me let me just show you guys  
something real fast let me just show you  
guys something real fast because I want  
to show you something  
um  
I'm just going to show you something  
here real quick what's going on what's

going on so as you guys know I raised roughly three thousand dollars from my legal defense because I'm always going to have to be fighting battles with the bad people who are on the side of the cops and that's most of the bad people now not all cops are bad and not all people who support um now if you support this brand of cop you're a horrible person but if you support the idea of Law and Order that doesn't make you a bad person but there are a lot of bad people all over the place so I just want to show you guys something here real quick um because a lot of people are just talking [ \_\_ ] they're talking [ \_\_ ] not very many people are blocked I unblocked a bunch of people so there's a bunch of people who were blocked previously I tried I really don't want to block everybody but I only have a few minutes and I wanted to go over something important and so can you guys hear me okay right now what's going on thank you for the email I appreciate it with twit what's going so um let me show you guys something real

fast

so here's what I did I want to show you  
guys something uh there's a guy in  
Ironton goes by Terry nip Terry nip he  
calls himself the Ironton auditor that's  
the name that I created that I gave to  
him when I bought his phone and then I  
gave Terry a bunch of money so let me  
just show you the money I gave him so  
that you guys can see it  
so you guys can see it  
and let's just go like this t-e-r-r

Terry

so I I hate to admit this but I'm gonna  
admit it right now

um

initially

um

so when I got Ironton Auditor in Ironton  
he was a paid auditor not because of you  
guys I was paying him  
for him to go out and watch the streets  
in Ironton for all the people in Ironton  
I paid Terry nip to be there he didn't  
just go out on the street voluntarily I  
was giving him money and when I stopped  
giving him money and he got monetized he  
then started to cops suck Terry nips got  
that cop stick all the way down his

throat and he's got it in his cheek and  
he's just sucking that cop stick Terry  
nip is one of the weakest lowest rung  
losers ever so  
um so right here  
right here  
see I was paying him I was paying him he  
was going out on the streets  
and I was paying him money I was paying  
Terry money but this isn't the big one  
here let me let me get all of it  
okay and IPP  
search okay so there's Terry nip  
so there that is so you can see it right  
there paid him 100 on April 20th I also  
paid for his phone and then here Terry  
nip took the day April 15th  
check the date April 8th  
check the date April 4th so Terry nip is  
making money from me  
April 1st  
so those are just the ones on my cash  
app I also have pictures of me handing  
him 400 cash and then I got another one  
for 900 let me just find that one real  
quick for you guys so you can see it  
real fast  
because I want you guys to see what a  
scum bucket Terry nip is just a scum

bucket you know

um and so let me go like this

activity let me just make sure I can

find it on here

Terry nip there it is okay here it is

there's 950 bucks I sent to Terry nip on

April 11th

do you see that right there

you see that

so so far I've showed you about 1500

bucks

okay

and then

um

and then right here

um and then all the people saying that I

went to Columbia on the three thousand

dollars that I raised so remember I got

some of that in Zell some cash app some

venmo some PayPal so remember we just

got to reach three thousand dollars so

let me just show you what's in my venmo

PayPal and cash out

So currently right now

currently in my PayPal is 192 dollars as

you can see right there

okay and then let's check out the cash

app

thanks for coming by the channel you

belong somewhere else so now let's check  
the cash app real quick  
and then in the cash app  
okay here's the there's there's the  
balance of the cash app  
1921 dollars  
okay so now we're at twenty two hundred  
dollars okay now let's go over to the  
venmo  
let's check the venmo real quick okay  
and then in the venmo there's 465  
dollars so the 500 more  
so there's twenty seven hundred dollars  
of the three thousand dollars that are  
raised uh now to be totally honest uh  
some of the money actually was replaced  
by one of my supporters here 200 in this  
past week I'm not going to tell you who  
sent that so now we're back down to  
twenty five hundred dollars so we're at  
the other 500 go when you have rights  
cops have duties needed to get bailed  
out of jail I took the money that was  
given to me and I sent it to you have  
rights cops have Duty's sister I sent  
fifteen hundred dollars to get him out  
of jail a thousand I put my own money  
500 from the money I had raised so  
essentially when they gave me back that

1500 bucks which they did immediately  
you have rights cops have duties his  
family his friends were nothing but  
classy I didn't have to ask they called  
me as soon as the GoFundMe paid and then  
I put the money back in my account  
so uh the 500 bucks though is already  
gone so it's going to be in my bank  
account which I'm not going to open my  
bank account but so where's the three  
thousand dollars that I raised you guys  
just saw it so now let's continue to  
talk about Terry nip I think this week  
I've gone after blue bacon and Terry nip  
those are two guys aren't they two guys  
and then I think I sued uh Josh Abrams  
and Kate Peter but isn't Josh Abrams the  
guy and then by the way if any of you  
bottom boy betas think you could take me  
give it your best shot  
try it you'll be like Dan Clemente once  
I get mad and start coming at you you'll  
turn and run because once I get mad and  
I get really upset I will throw you on  
the ground in a matter of two seconds  
flat but let's talk about Terry nip and  
the bottom boy beta that he is so let's  
take a look at Terry nip's page who  
calls himself an Ironton auditor he's

not an auditor thank you so much I  
appreciate that Jeff hates pigs has been  
a member for five months thank you so  
now let's take a look at Ironton Terry  
nip don't call that guy aren't an  
auditor so oh by the way blue bacon is  
just terrified he keeps lying blue bacon  
you're so caught dude just stop lying so  
now let's take a look though at Terry  
nip's page  
and let's just take a look okay let's  
let me show you how much of a beta  
Terry nip is let me just show you how  
much of a beta he actually is let me  
just show you what a beta boy this guy  
is let me lay it out for you so here's  
the page called Ironton auditor Terry  
you're not Ironton auditor I paid you to  
be an auditor I paid him in the month of  
April when I left Ironton everybody in  
Ironton needs to know  
I paid that guy's bills so that he would  
watch the town and then he became a cop  
sucker and now he's not protecting  
anybody he's doing filming for the cops  
but let's check out Terry's page bottom  
boy  
beta that he is  
so this this is this is the guy who

calls himself an auditor he's definitely  
not an otter  
definitely not an object but now look at  
this if you talk about me Terry if you  
put my name in your subject you're gonna  
get some views  
but but Terry if you don't talk about me  
if Ironton auditor talks about me then  
he gets some views intro 208  
explanation of technical difficulties  
184.

you don't no one watches your [ \_\_ ] Terry  
nobody watches what you do nobody so  
let's get somewhere where it matters  
come on dude police interview Captain  
goo because Chad goo was gonna fight me  
so you got some views Larry flynnoyed no

but let's get to so that's this biggest  
one

interesting day Chili's back 6 000 views  
[Laughter]

interesting day Chili's back 6 000 views  
I mean just it's just plain as day the  
guy no one gives a [ \_\_ ] with serving  
Lawrence County for chile 6 000 views  
shut up dude you're a piece of garbage  
6 000 views

two thousand views there  
brief explanation 2000 update on Kent's

blankenship's name in there Chevy's in  
the hizzy what's going on out with  
Sergeant School jarek

oh dude this guy's a joke I mean this  
guy's literally a joke no views  
so anyway anyway

I'm I'm just showing you what's relevant  
and what's not relevant  
thanks for coming by the channel you're  
probably just in the wrong place go  
somewhere where people actually give a  
[ \_\_ ] what you think because I don't so  
anyway I just wanted to lay it out

Ironton Ironton Terry nip I just cannot  
call him an auditor Ironton Terry nip is  
a scumbag you're a scumbag Terry I paid  
you to be an auditor I paid your bills

the month of April for you to be an  
auditor everybody knows it I just  
revealed it on my cash app  
Terry's a bottom boy beta that's the way  
it is and so now what's going on guys  
um and then just so you know uh the  
Arizona Jeep girl went on his his his  
his uh video and now she's gonna get  
sued for defamation because what did she  
say she said that uh I hacked her  
Facebook account or my people hacked her  
Facebook account

Andrea Langston you are such a liar you  
are such a liar you're such a liar it's  
on that frauditure Ironton Terry Nick  
it's on his page he has Arizona Jeep  
girl on there  
oh irons and Auditor's gonna come chime  
in I thought I only went after women  
Terry oh I'm forgot you are a woman I  
forgot you got that thing you got no  
nuts and you got it tucked up between  
your legs and stuffed up your bunghole  
because just so you know the reason why  
I wanted to come on and talk about this  
total loser is because I had to watch  
the interview with Az Jeep girl so I can  
sue her

because her name's Andrea Langston she

lives in Gilbert I posted her  
information on my community I got  
another troll tomorrow on Posting and  
any other trolls that want to give me  
information about another troll I won't  
dox you  
I won't talk to you if you give me the  
information about another troll  
okay I won't dox you but if I if I get  
your information before you have given  
me information then I will dox you so  
it's it's it's a deal we're making I'm  
cutting a deal with you you save  
yourself then I won't dox you but if you  
decide that you want to be a dick I'll  
dox you  
and then all the little trolls are  
freaking out oh my God he's doxing  
people this is so wrong you mean like  
stalking people  
stalking people's right that's an okay  
thing to do  
stalking people is a cool thing to do  
you think that's all right  
um and then a little house clipping  
unfortunately guys we had to say goodbye  
to random country random country uh we  
had a good run my friend  
unfortunately you are sisters or

brothers with um that's why I showed the money in the beginning because random country was like so where'd the money from the fundraiser go

you guys just saw it so that's where the money from the fundraiser went it's still sitting on my pay apps because I'm not going to use it except for when we file things I'm just going to use it for filings because I'm going to need that money I you know they hurt my online store and they hurt they hurt my YouTube channel and that's why I'm suing them because they hurt me so that's what's going on that's what you guys are seeing let me grab my backup charger here and grab this that chicken right here finally as soon as as soon as I go live of course the plane gets here the moment I turn on my live we've been delayed for an hour foreign

and you guys listen

um if you send me an email my cousin is my cousin is pretty sharp if you send me if you send me an email and try to [ \_\_ ] my cousin's gonna go okay sure thing we don't believe you what's up pistol Rex what's going on my friend I'm gonna take every one of them down so um

as is that is that smile Kyle uh hey  
smile can we I gotta jump on a phone  
call with you if you can give me a shoot  
me an email or shoot me a text smile  
Kyle I got Marcy's in the house  
everybody so  
um by the way you know um there's rumors  
going around about Marcy well let me  
just tell you something let me tell  
everybody this because I want to make an  
announcement about Marcy  
um I just talked to Marcy on the phone  
for 40 minutes 45 minutes Marcy can tell  
you how long we talked  
um Marcy has been going over and  
watching the troll Channel she has been  
commenting and then she did get a  
membership to to the troll Mafia because  
when when that Kate Peter was doing a  
Members Only video Marcy wanted to see  
it and so that's why she was a member  
um she's still a friend of mine even  
though  
um  
she was over there on that channel in a  
participation way but of all the  
screenshots I got of Marcy she's never  
said anything about me that I saw that  
was bad I never saw anything negative

and so you know my inner circle of  
people my inner circle of supporters  
they know about this you know they're  
well aware of this and I just wanted to  
let them know and let others know that  
Marcy fox has not done anything negative  
to any of us she has not backstabbed any  
of us so I know that people are saying  
things because they I said I get  
screenshots you know I'm sorry that that  
that we had to say goodbye to random  
country I didn't block random from the  
channel but I can't have people who are  
my moderators going around going well  
where'd the money from the fundraiser go  
because that's what Tim that's what the  
uh the that's what the folks the the  
people who I helped were all about they  
wanted me to just get them money and I'm  
it's like come on man like  
it just I gave him over 500 bucks to pay  
their courts costs and stuff so I did  
everything I could to help out you know  
what I'm saying so  
but you know I'm of the mind that we  
should be transparent with people so oh  
so by the way tomorrow's troll the troll  
I'm doxing tomorrow you all have heard  
the Troll's name and I have their

address and I'm going to put a picture  
of their house up and that's how it's  
Gonna Roll from now on you want to be a  
little troll behind the internet okay  
okay okay

I'm gonna bring you into real life and  
show everybody who you are fair enough  
fair enough and then you know here's  
something really funny Josh Abrams is  
telling people he's gonna go after me  
legally Josh you don't have a chance in  
[ \_\_ ] hell bro you don't have a chance  
in hell hey everybody tell Josh Abrams  
bring it beta bring it bring your A game  
try to sue me beta boy try to sue me  
closet come on out of there try to sue  
me drag try to sue me

beta

Josh is definitely beta to me 100 he's  
beneath me in every single way I'm just  
sorry man I'm just I'm not  
look if you want to piss me off okay you  
got it you got it so who else was there  
so so far

um and then just so you guys know David  
omo I have a a restraining order hearing  
against him on the 18th and David you're  
on my list next to Sue I sue David omo  
next

so hey Terry so far I've mentioned your  
name and David omo's name and Michael  
ferratini's name and then we had to talk  
about Kate Peter and we're gonna get a z  
Jeep girl easy Jeep girl you lied you  
defamed me you said that my supporters  
tried to hack your Facebook page when we  
didn't even know who you were you lied  
everybody go to that frauditor Terry  
nips page and listen to AZ Jeep girl say  
how I went to their Facebook page and  
tried to hack it she had to take it down  
and your credibility was on the line  
Andrea Langston who is Arizona Jeep girl  
Andrea Langston from Gilbert Arizona who  
is AZ Jeep girl number one you are fugly  
number two  
um you lied to everybody for sympathy  
nobody went after your Facebook page and  
if you don't have credibility to run a  
dog Sanctuary it's because you're a  
shitty person you're a piece of [ \_\_ ]  
person  
you don't have any credibility because  
nobody trusts you because you're a  
blood-sucking lawyer you're a piece of  
[ \_\_ ] it's just that simple it's just  
that simple so you know I'm never gonna  
stop I just I live in a fight I love

it I love to fight and I got people on  
my team who also love to fight who love  
to fight and so we're gonna fight you  
we're gonna fight you you guys want to  
fight but can you fight in the light or  
do you have to stay in the dark or  
you're a vampire you'll melt in the  
sunlight is that what it is because it  
seems like you're a vampire and that  
you'll melt in the sunlight you can't  
nobody can know who you are but I'm  
gonna put a picture of your house up and  
then we're gonna see how you feel about  
that I'm gonna I'm gonna put a picture  
of your school I'm going to say who your  
friends are who your family members are  
I'm going to dox your ass any other  
trolls want to turn by the way the  
information that that we got going right  
now  
you know I got to give some people some  
credit on my team but there's trolls  
inside who are turning who are turning  
right now because they don't want to get  
dogs they're so afraid of themselves  
being docks you have to give up two  
people you can't give up one person to  
save yourself you have to give up two  
people that's the deal I'm making with

trolls that's the deal I'm making let's  
read their Discord you guys want to read  
their Discord

[Music]

[Laughter]

you guys have got to see these you guys  
have got to see this you've got to got

I'm going to send you that  
representative form let me just set this  
up real quick you guys got to see the

unbelievable  
you guys have got to see this  
one second here  
I gave him plenty of chances yo my  
friend who sent me this text message on  
Signal I sent them plenty of chances I  
sent them plenty of chances Deanna news  
now good to see everybody good to see  
everybody but you guys have got to read  
this so you know the really funny part  
is how they're just hammering on Michael  
fedadini how he just keeps lying to  
people he's texting people privately and  
saying oh it's cool you know it's me but  
then publicly he's lying to his  
supporters and they really don't like it  
they really don't like being lied about  
foreign  
you guys are gonna love this this is  
from Kate Peter's Discord Kate I'm  
taking you down baby I'm taking down  
your Discord account and you know what  
you're not gonna be able to pay me Kate

get you kicked off the internet I swear  
to God Kate Peter I won't stop till I

because she's a woman because she's a  
woman no because she's a just because  
she's a terrible person because she's a  
terrible person just like I'm taking  
down Michael

me

oh what's the difference between the two  
of whom one has a penis one doesn't I  
would love to get blue bacon isolated  
and alone I would love it and then you  
guys would find out if what I could do  
and I guarantee you that bad boy would  
have no chance

so

here's their Discord account

I don't live

land mass because I would actually do  
something

it for the love of God please do it come  
at me in the street where I can unleash  
my Fury please give me the satisfaction  
of unloading on you bro do it in the

for what for revealing that you're a  
piece of [ \_\_ ] for revealing your name

put in there when we want Kate to  
identify people that this person has to  
be identified and then once we identify  
you you put a death threat in here that  
you want to put me at the bottom of a  
river that's a death threat  
no but I feel like Chili's going in the  
direction he's not stable hey adults are  
talking  
I'm not stable you're a part of a group  
of people of stalkers bro I asked you  
guys to leave me alone or I would dox  
you you didn't take me seriously  
now I'm doxing your asses  
I'm docks in your asses that's how it's  
going people are right behind me  
screaming so I'm gonna go right over  
here  
let's keep going let's keep reading it  
let's keep going we're going to keep on

reading it here

so

the thing rolls huh I didn't notice that

it rolls okay there we go

chili should never come to the UK

[ \_\_\_ ] if I come to the UK I'll

put your head in the concrete you come

at me on the street I'll throw your head

in the concrete I might be 48 years old

but what matters in the street is who

throws who on the ground first because

the hard hard ground there's a sudden

stop so good luck bud

good luck attack me on the street I

double dog dare you

I hope you do because if you do I'll put

your head in the concrete

[Laughter]

and then they put a picture of uh where

I get where my residency is in

California but I don't live there so

good luck

and then someone put in here this guy

just put in here did I just join a cult

that's funny yes you did bro you just

joined a cult and then right here bacon

lied so he wasn't drinking apple juice

no he's drinking whiskey on his show yes

David line see that see that they lied

that that

foreign

get out of here bro

you're a band camp guy shut the [ \_\_ ] up

Alpha fee you're a band camp guy bro you

played the tuba

which is fine I actually love

instruments but don't act like you're

alpha male I'd crush you like a grape

brother you're lucky that this is legal

and not physical in the streets

so you're very lucky bro you're very

lucky all you [ \_\_ ] are lucky if

you actually tried to take me out on the

street but annihilate your ass it would

take me seconds

just like it does on most of them

a balmy 37 degrees

don't unknowingly like lying

he shouldn't have been he should have

been honest we would have had his back

talking about blue bacon lying about his

name being Michael benedini

everyone's saying this was a troll and

it's not him it's feudal when all of his

info and his picks are openly available

online Jesus he point he pointed he

profited off and begged chilly to find

him now he wants to lie to everyone when

he's found and that's from Full shizzle  
so even your people even your people  
dude

yeah

Michael pertini even your people know  
that it's you why don't you stop lying  
bro just stop lying you're a liar bro  
stop lying dude you ruined Yourself by  
lying you're caught

all I needed to do was know where you  
live to serve you dude no one's coming  
to your house to [ \_\_ ] kill you no  
one's coming to your house to attack you  
nobody's coming to your house to do  
anything to you I just want you to feel  
what it's like when people know where  
you live and people have a picture of  
your house see how much do you like that  
you like that is that fun for you is it  
fun when people put your address up  
online is that a good time for you are  
you enjoying yourself Michael  
piece of [ \_\_ ]

can I still be Pro [ \_\_ ] I promise to  
remain a straight man and not wear  
makeup any longer

[Laughter]

I just hope he sticks to his guns and  
doesn't puss out and we will find out

the true blue bacon soon I just hope he  
does not disappoint but it's not looking  
good right now what the hell is going on  
I don't know I'm scared hold me we need  
a we need a crib notes page now we  
already found out he doubled down on the  
LIE like we're [ \_\_\_ ] stupid fo shizzle  
is saying that Michael perettini is  
lying and that his real name is Michael  
perettini Michael perettini blue Bacon  
came in Kate muted him  
so people you know that beta [ \_\_\_ ] boy  
Terry who's like chili only goes after  
women Terry dropped that gun bro see how  
fast they go after you bro  
wasn't I gonna fight the guy who you  
changed his tire Grease Monkey wasn't  
that you Terry nip getting down there  
hey I'm fixing Captain goo's Tire yes I  
am I'm fixing his tire look at me as  
soon as chili stopped paying me I just  
went the other way and started helping  
the cops  
I was paying him I didn't want to  
announce this but everybody in Ironton  
needs to know this Terry nip was not an  
auditor I paid him money to go out on  
the streets I called him up I said are  
you home he said I'm home boom send him

100 bucks dude get on on the streets and  
help the people  
saw the receipts the entire month of  
April hundred hundred hundred hundred  
hundred I called Terry nip where are you  
I'm at home  
cash app 100 bucks go on the streets and  
film  
nobody knows this I never told anybody  
but that's the fact no there's some  
people who know the fact but I didn't  
announce this publicly Terry nip was  
being paid  
he was being paid to be an auditor  
he's not an auditor he's a cop sucker  
and he's working against the people  
yo what's going on Colin thanks for the  
Super Chat brother blue Bacon came in  
and Kate muted that okay so so I that so  
I only go after women well I mean take a  
look at the school  
you got that per chick from last night  
all these women are making profiles  
saying look at Julie he's an alpha male  
quick everybody jump on the alpha male  
that's what's happening everybody jump  
on the alpha male and everybody's so  
popular let's go jump on the alpha male  
and mostly it's a bunch of cucks

a bunch of beta boys and a bunch of hens  
pecking around we can't be led by an  
alpha

we can't be led by an alpha  
sorry kids the leader has arrived

[Music]

fair use public domain are the Jazz says  
he just had to be honest don't admit to  
people and DMS so Michael parattini  
admitted to people in DMS and then  
publicly

lie to everyone like you tried to  
orchestrate some elaborate troll you  
made money off videos begging him to  
find you and now you're bitching down  
because you got found either ignore it  
or accept it but you look like a douche  
lying about it

there it is right there there it is  
right there

it's right there

there it is

okay

I got more hold on there's a lot more  
here

tons and tons

um you're gonna report me to the cops in  
Arizona Chile said who someone's name  
was and he said he was going to file a

complaint with the bar and he said he was going to go after her job and then she lied about his her dog page on Facebook and chilly might sue her you better tell the police chili might sue her oh Chili's gonna sue her call the cops he's gonna Sue

[Laughter]

Chili's gonna Sue call the police he put up a picture of Andrea Langston oh my God the trolls been revealed and Andrea you are fugly Andrea is a Fugly Fugly woman I mean you are fugly woman and that's what's makeup and hair done she is fugly that's why she's so mad she's so bitter she's walking around with that bitter beer face

[Laughter]

oh Uncle already chimes in here okay I've slept on this for a bit but what's going on bacon another trolling a chilita all popping I'll bet that he's docks in order to divert attention from his [ \_\_ ] up case uh no I'm doxing people because you deserve to be revealed you ever see Inglorious Bastards how they put the mark of the Nazi right on your forehead I would love to do that to you guys I

would love to just put a capital T just  
take that and just put a t right in your  
head it would be amazing however it's  
illegal and you can't do that to people  
they were in war so that Inglorious  
Bastards that's what that was

so

no blue bacon got docks tried to cover  
it up with a lie apologize it's been a  
long day

Andrea Langs that's her name that's

Arizona Jeep girl Susie says yep

my bet is these doctors were divert  
attention from his [ \_\_ ] up case nope

I'm not

I'm telling you he's a Nazi

[Laughter]

I was just talking about marking Nazis  
and marking trolls

so I'm not the Nazi I'm the freedom  
fighter you're the one who's for torture  
cuffs if you're here and you're against  
me you support torture cuffs

that's all I'm saying that's all I'm  
saying

that's all I'm saying you support  
torture cuffs

[Music]

okay so then here's a comment I wrote to

someone that uh it looks like uh faux  
shizzle put down at least I'm at  
least I'm not a nobody you're a nobody  
you attached to me because I'm somebody  
you can get all the education you want  
you can get all the degrees you'll  
always be a nobody want to be loser  
what's the matter honey did daddy touch  
you too and then the person about right  
in Chile's head for sure

hahaha

you guys are losing your [ \_\_\_ ] mind in  
your Discord account because I'm doxing  
you [ \_\_\_ ] and you're like oh man  
you're in Shelly's head for sure you are  
in my head I can't wait to dox the next  
person tomorrow and tomorrow is a big  
troll tomorrow is a big troll tomorrow  
we dox someone we put their information  
out I put the I'm putting everything  
your parents don't get away your family  
doesn't get away nobody gets away I dox  
everything about you your address your  
job your phone number everything I put  
everything out there I just don't put it  
on YouTube because you know why I don't  
want to get in trouble but I'm putting  
all your information out there on the  
back channels like Kate does on Discord

the snowball The Snowball Effect is full  
force goal  
unraveling at super speed  
yep accusing accusing the judge of  
unethical behaviors  
I'm unraveling  
or I'm fighting back  
and you [ \_\_ ] are scared now because  
my whole people are turned to face you  
now I got a whole team of people yo yo  
yo Dr homsy there's a whole team of  
people who are facing you now we're  
going after you  
you're the focus now you wanted to do  
this you wanted to do this I love doing  
it let's do it oh I'm unraveling oh what  
you think about me means absolutely zip  
up kiss I don't give a [ \_\_ ] when you  
think about me  
and moderators just block these people  
just permanently just block them just  
kick them off the page because all they  
want is a voice to be heard let's  
the oxygen off and watch them  
[Laughter]  
and then okay so okay let me go back to  
because this is pretty funny this is  
pretty funny right here  
this is pretty funny

this is pretty funny

okay

sorry about that guys go ahead

so this is pretty funny

so this says right here

this person has been doting people and

sending them on their way to cause harm

to their victims I reported it and then

this guy said my last attempt I even

tagged the CEO of YouTube

laughs

I don't while I do use the name dick

Tickler my real name is Richard C

Tickler and I'm quite boring no Persona

I know you are bro I know you are that's

why you joined that page

that's that's why you joined that page

we don't have Clean Hands in terms of

doxing is my point said the guy you this

guy's name is Lyle Hoover his name is

not Lyle de Castro you can find him on

Facebook under Lyle Hoover he's that's

he's we he's just uses my name for

attention how funny is that if I'm not

the leader if I'm not the alpha why are

you using my name why are you using my

logo why are you using my icon why have

you all banded together to take on the

alpha why is there 500 people to take me

on because I'm the leader and I'm the  
alpha you're the beta you need to get  
together with a bunch of cucks and a  
bunch of hens  
right like Chad go the [ \_\_\_ ] that he is  
Chad you know I'm a little bit busy bro  
but there'll be someday I'm gonna get up  
there because I'm until I'm 50 man I'm  
just going to keep on going grappling  
I'm going to keep on grappling so  
so I'm not the alpha but there's  
hundreds of people going against me okay  
that makes sense okay sure  
so Lyle Lyle Lyle Hoover his name's not  
Lyle de Caster he says we don't have  
clean hands when it comes to doxing yes  
but not to dock surely  
what on my screen Persona what if my  
on-screen Persona is less interesting  
than my one in real life by Texas Texas  
Inquisitor  
bro I would bet both testicles that  
you're a really boring [ \_\_\_ ] I'll bet you  
that you last about 10 seconds in bed  
and I'll bet you that you're fugly and  
I'll bet you that you're really boring  
and dry that's why you're here because  
you need somebody to lead you because  
you're a cuck you're a beta man oh oh am

I going after men oh my gosh I thought I  
was afraid of men not that I haven't  
fought hundreds of men in my life but  
I'm afraid of men okay sure thing bro  
sure thing gotcha gotcha

oh the next page

says

neither skeptic has talked about it in  
the past

was team skeptic doctor exposed

neither team Skeptics talk about in the  
past he just didn't make it up front and

center chilly wanted to try to hurt

skeptic no skeptic murdered a dude

skeptic murdered a dude he killed a dude

skeptic murdered a guy in his car and

got away with it by getting probation

okay that's what it is

I just said that's not her I know AZ

Jeep girl uh yes it is her name yes it

is her name's Andrea Langston she lives

in Gilbert Arizona

we know we know where her house is

bacon is so Anonymous he puts his face

on camera several times a week and is

offered to debate chili I'm not gonna

he's not on my level to debate me he's

offered to debate Chile he keeps his

personal information private the poster

coded 0-1 is anonymous see the  
difference

okay

Michael peritini you can't match me  
physically you can't match me mentally  
you can't match my looks you can't match  
my brains I guarantee you if we pulled  
out our fingers mine would be longer  
than yours

I guarantee it and I guarantee you if we  
locked up horns I'd throw you on the  
ground

I put your head in the concrete and  
you'd have to beg for me to let you off  
the ground you gotta be pleased Julie  
please let me off the ground I would  
hold you there

just I'm just I'm just being honest I'm  
just keeping it real

tired of the [ \_\_ ] oh chili doesn't  
only goes after women

Terry

Terry if you're a woman I'm going after  
you I paid him to be an auditor  
everybody who subscribes to Terry nip's  
Channel I paid him I showed you the  
receipts from April he wouldn't go out  
and work so I kept paying him  
well let me

there you go I'm glad you are let me

just send you packing

let me just send you packing

where what ends he's already doxed a

couple years ago blah blah blah

I just asked because everyone has a

different threshold winners he considers

the breaking point

[Music]

so did bacon he begged Chile to find him

and so he did

Michael parartini begged me to find him

and then I did

doxing is doxing trying to be a high

horse about your target is

[Laughter]

and then it says chili doxes himself and

that's what's funny about it bacon has

done a great job of keeping his identity

private for some two years though anyone

could have found him if they really

tried I guess they could have but

Jonathan Mitchell music actually found

him so Jonathan Mitchell music gets that

credit

and then this says here

and then this one says here

[Music]

yes Dominican

doxing AG it's not even her yes it is  
her name is Andrea Langston  
Mr sugar is trying to convince a flat  
earther really I just got off the phone  
with her  
love it  
I sure like to think that nobody here at  
least has troll contact harassed or  
anybody's family or business who is this  
who is this  
Doctor Who Doctor oh you use my name but  
I'm not the alpha you got my name and  
your username who's the alpha who's the  
alpha but let's read the contact I like  
to think that nobody here has trolled or  
contacted harassing anybody's family or  
place of business  
you would like to think that but you'd  
be wrong wouldn't you the reason why my  
investors are writing the affidavits and  
are willing to participate in the court  
process is because they called my place  
of business hundreds of times when I was  
trying to do a live in Youngstown Ohio I  
was talking to Marcy on the phone about  
that earlier they called my phone  
hundreds of times to disrupt my live to  
stop me from doing my job  
so you would like to think that but

you're wrong you're a part of a shitty  
group because you're a shitty person  
you're full of hatred and I hope that  
you need a bus I really do I don't give  
a [ \_\_ ] about you people if you were off  
Earth I would be a lot happier

[Music]

foreign

[Music]

but do AZ or Condon participate here  
Community tab this next one's right here  
let me set back where this ends

[Music]

beg for chili to find him  
one second guys sorry these are  
duplicates  
okay

I'm both relieved and also laughing my  
ass off the chilly can't seem to get  
anything right

you're relieved I can't seem to get  
anything right

I guess that didn't age very well

Michael peritini is Michael perettini

Andrea Langston is Andrea Langston

tomorrow's reveal for your next troll is  
even better than these two

and I'm gonna put a picture up of their  
house I'm gonna put a picture up of

their full everything about them I'm  
gonna dox them entirely and by the way  
I'm not just doxing here I'm doxing you  
on the back channels too on every back  
Channel I have I'm sending your  
information off to everybody I have  
you guys want to play Let's Play I'm on  
vacation I got plenty of time right now  
I think everyone has a different  
threshold when he or she considers  
someone doxed well I'm gonna put a  
picture of your house up and then we'll  
see if you consider that house  
okay where does it end  
okay sorry didn't read that before I'm  
angered  
Discovery is a lot less of a [ \_\_ ] when  
YouTube has conveniently memory hold all  
of your content  
exactly correct  
just just the basic Act of you seem to  
be trying to equate the two actions I  
can't see it just the basic Act of  
doxing forget about how far Chile goes  
do not seem to be looking  
balance or am I misunderstanding  
something no I'm looking for balance I  
just don't know where this ends for the  
good of everyone involved

don't give them the reaction give them  
the piece of cake it's a lie you know so  
they just openly lie over there and  
they're okay with it you seem to be  
looking for balance though am I  
misunderstanding something it's the  
standard claim of both sides right this  
it's not both sides I asked these  
[ \_\_ ] people to leave me alone I said  
leave me the [ \_\_ ] alone you guys decide  
you want to play games  
and now what they're doing is they're  
duplicating my logo duplicating my  
trademark they're using my name delete  
laws but I'm not the alpha you sure I'm  
not the man are you sure because it  
looks like I am  
isn't there full Pages channels  
dedicated to me so then who's the man  
okay okay and if I wasn't then why are  
you here if I'm not the man then get the  
[ \_\_ ] out of here and never come back  
you can't you can't stop because you  
know you're watching history happening  
because we're going to end torture cups  
we're going to change this [ \_\_ ]  
system that's what's happening so  
a chili liquor asking for receipts you  
can't make this [ \_\_ ] up nobody's a chili

liquor that seems to be a problem here  
asking a question and some turn it into  
much hate they can spew in the  
questionnaire very strange I didn't grow  
up like that I guess I enjoy debate at  
Asante as it does lead to knowledge  
which all of us asked for  
yeah

Troll's got a troll

I would love to find out who this person  
is in docks them I would love to  
I generally block on detection oh really  
I generally block them on detection but  
I thought you were a free speech person  
over there thought everything was free  
speech over here not free speech  
you guys wanted to play this game  
are we having fun yet because

I'd rather get back to my mission once  
you go find a [ \_\_ ] life and then  
David omo you guys want to see David  
omo's [ \_\_ ] check this out you want to  
see a guy literally someone wrote me  
today and said I think David omo's in  
love with you David you are in love with  
me brother there's a guy hey David  
listen high blood pressure bad knee if  
you agree to meet me somewhere just me  
and you no lawsuit no restraining order

I just like to take your 145 pound ass  
and throw you in the trash can that's  
what I'd like to do if you agree to meet  
me somewhere then we don't have to have  
any law no government no nothing just me  
and you David I promise I'll pick you up  
off the ground when we're done pick up  
your teeth off the ground take you back  
into your little cottage okay  
would love to David would love to would  
love to listen and people are like oh  
he's so violent when did I ever say I  
wasn't  
I told you guys I fought with Shamrock  
and Metzger that was back in 1990  
8 97 99  
when did I ever say I don't love fist  
fighting I love it just not on the  
street not illegally I don't love  
assaulting people I don't love breaking  
the law those things but if I could get  
one of these beta boys see and I didn't  
want to do the thing with Chad goo where  
we had some big listen we ended up doing  
it but you know what I'm gonna smack  
this [ \_\_ ] out of that guy one day I  
can't wait I cannot wait so hey Terry I  
went after you today I showed everybody  
Terry that I paid you

I paid you Terry  
so here's the months I paid Terry when I  
called him up to go to work he wasn't  
out on the streets auditing so I just  
paid him on April 20th and then when he  
wasn't out on the streets I paid him  
because he wasn't making any money he  
was crying nobody's sending me any cash  
app so I paid him 50 bucks on April 15th  
he wouldn't go out on the streets and  
work so I paid him on April 8th 100  
bucks wouldn't go on the streets so I  
paid him I paid him I paid the guy to be  
an auditor I paid him  
are the receipts fake  
that is on my cash app isn't it and then  
at least twenty five hundred dollars of  
the three thousand dollars that I raised  
is accounted for it's still in my cash  
app still on my PayPal still in my venmo  
just wondering  
I mean I I'm as transparent as can be  
has anybody ever complained that I  
raised money for them and I didn't get  
them the money Deborah oh wait a minute  
I thought chili hated women didn't I  
raise money for Deborah didn't I raise  
money for Christy Roan didn't I raise  
money like what are you talking about

what are you talking about so if I hate  
women why am I raising money for women  
why is that how many men have I raised  
money for how many  
Tim Lyons wished I would raise money for  
him I didn't raise him any money I gave  
money I gave them over 500 bucks from my  
hands to theirs  
just keeping it real I'm  
keeping it real why can't we be real  
with each other Michael pettitini are  
you going to stop lying to people  
brother  
and and here here's I want everybody to  
go  
to the 133rd page 133rd uh it's the  
133rd band page National Guard band page  
which is fine don't get me wrong I  
really love music I really love  
musicians but I got a band nerd who's  
afraid to say where he is Chili's  
dragging innocent people into this  
actually Michael pettitini you did that  
bro by not leaving me alone when you  
were warned and Michael fettetini I give  
you the same deal I give Terry nip if  
you're willing to meet me somewhere just  
me and you no cameras I won't sue you no  
charges will be pressed you can make all

the videos you want about me just me and  
you bro right here right now no knee  
surgery necessary no blood pressure  
medication just me and you Michael  
peritini you meet me somewhere privately  
where there's no cameras and I'm not  
going to sue you

am I still afraid of men am I still  
afraid of men am I still afraid of men  
Chad Goose same thing goes for you meet  
me somewhere privately just I'll come to  
your fight Camp Chad I just can't stand  
that [ \_\_ ] Chad goo I just can't stand  
him you piece of [ \_\_ ] dude you're so  
irrelevant by the way Chad Goo now  
people will go to your page again no  
one's going to your page anymore Chad  
because you're not about me because I'm  
not the alpha but if you talk about me  
then you get thousands of views okay  
okay got it got it

got it

133 National

guard band

I got a band nerd I got a band nerd

blowing his tube

[Laughter]

bring your tuba bring your tuba mic

[Laughter]

so okay here it is this is their  
Facebook page everybody go to this  
Facebook page and here's the let's see  
if they deleted my comment  
yes they did  
yes they did they deleted my comment so  
on November 4th Michael parentini's uh

do me a favor uh Marcy that that that uh  
who you just respond to Marcy would you  
just respond to  
that guy doesn't belong on my page  
get that guy off my page get that guy  
out of here scum bucket get him out of  
my page Knights of need I don't know  
where he is Knights of and I blocked  
that piece of [ \_\_ ] off my page please  
can't stand him I read your comments in  
Discord dude you piece of [ \_\_ ] loser  
so  
they scr they scrubbed all the pictures  
of Michael fettuccine is there a secret  
let me ask you guys a question let me  
just ask you  
is there a single guy with Integrity in  
this group question mark why are you  
guys deleting Michael parrotini's  
pictures  
oh it even got the name correct even

spelled it correct

Michael paratini's picks

there it is there's my comment right

there guys that's to the men of the

National Guard

you couldn't all be a bunch of betam a

bunch of beta boy cucks a bunch of cucks

Defending a piece of [ \_\_ ] like this guy

like Michael peritini

but so what triggered me is listening to

that beta boy Terry

go on his video with Az Jeep girl and

say oh yeah he only attacks women okay

Terry

Kentucky border Terry

meet me at the Kentucky border

meet me there

[Music]

I'm live I can't talk right now dot dot

I'm coming back to the States I'll see

you soon

where you at Terry you think you're a

tough guy Terry everybody knows Terry's

a [ \_\_ ] okay Terry you no match for me

bro we know that so I'm not gonna meet

you somewhere random because I'd end up

breaking your neck and then I'm going to

jail I don't want to beat up some little

girl I mean you literally weigh a

hundred pounds Terry so  
but Michael fedadini Michael paradini is  
a big guy he must weigh like 250 with  
all the extra weight I'm 220 right now  
Michael ferritini I'll bet you my 48  
year old ass could take your 32 year old  
ass and pile drive you I'll bet you  
I'll bet you I'll bet you  
I'll bet you I'll bet you a ham sandwich  
I'll bet your ham sandwich  
I will bet you a ham sandwich  
Dr homsy  
good to see you Dr homie Jonathan  
Mitchell music good to see you JMM  
thanks for coming by anyway so I guess  
I'm going after men now I guess all week  
I've been going after you know I just  
can't stand that piece of [ \_\_ ] Chad goo  
I always wanted to beat his ass I just  
don't get to do it in a cage now but  
I'll head up to your fight Camp because  
I still love fighting I was fighting all  
this last couple weeks in California  
with a buddy of mine so I still have the  
shape my knees just messed up but  
fighting [ \_\_ ] like you if you  
actually fought me in a fair place where  
no one would stop us I'd bounce you off  
the ground once or twice it'd be over

pretty quick

it always is over pretty quick because  
what people don't understand is that the  
first move is the most important you  
throw someone on the ground they bounce  
off the ground and then they reconsider  
what they're going to do next so  
anywho I just wanted to chime in with  
you guys

that's a fact that's a fact the tribe  
Patriot the the true patriot that's a  
fact

yeah yeah I heard that I heard that too  
I can't say anything about Kate I can't  
say anything about her losing her  
children or uh apparently she was  
talking about doing drugs on her  
broadcast I I'm not against people doing  
drugs I think drugs are a healthy thing  
I think they're a good thing if they're  
done in moderation but I don't think  
that methamphetamines are a good drug so  
you know I'm just being honest I'm not  
gonna lie because I'm afraid people  
won't like me if you don't like me [ \_\_ ]  
off

but you won't you're addicted you're  
addicted bro

you're addicted bro you are straight you

are straight addicted dude it's crazy  
it's crazy and it would be one thing if  
you guys offered something but you don't  
they don't they don't offer anything  
they're just a bunch of cucks  
they're just a bunch of cooks Terry  
versus Ohio's gotta go so Dr homsy  
you're going to be super stoked to hear  
about the things that I'm doing here but  
it's already begun and we already have  
things going on now so  
yeah I'd like to I'd like to  
but um Ironton uh Terry nip irons and  
Terry nip  
I guess I came after you didn't I I only  
go after women I guess I'm only going  
after a woman when it comes to you I  
mean I I guarantee you you drop down  
that guy's pants  
guarantee it I guarantee it this big  
guarantee it anyway I had to listen to  
that piece of [ \_\_ ] bottom boy [ \_\_ ] who  
I funded paid for his phone gave him  
thousands of bucks go on there and say I  
only take care I only take on women hey  
Gloria how you doing hon nice to see you  
that's that's why the supporters of this  
channel are are women that's why right  
that's why that's why some of my biggest

supporters are women because I only want  
to attack women it's like shut the [ \_\_\_ ]  
up dude it just makes me sick to my  
stomach just makes me sick to my stomach  
it really does you know  
like it just makes me sick so okay if  
I'm not the alpha stop using my logo  
stop calling yourself delete laws if I'm  
not the leader then don't use my [ \_\_\_ ]  
don't use my name don't use my logo and  
don't use my brand if you can get views  
and then I watch this other guy his  
whole channel oh I want to get David omo  
check this guy out check this guy out  
guy wrote me this morning and said hey  
chili guarantee you David almost gay and  
I said how do you know that and he said  
pull up his channel and take a look at  
it and I was like really I said I want  
to look at that guy's Channel I already  
had to transcribe all his videos and he  
goes no dude pull up this Channel and  
take a look at it so I actually did take  
a look at this piece of [ \_\_\_ ] David omo  
murderer take a look at his channel  
killed his friend and then had to hide  
the beer instead of giving him CPR  
taking care of him  
check this [ \_\_\_ ] out I didn't even

realize it until I actually just took a  
look at it  
take a look at David omo David  
want to talk about a bottom boy cuck  
beta [ \_\_ ] take a look at David omo  
his live section okay just take a look  
that that's me right there's me  
there's me  
there's me  
there's me look at David omo's team  
Skeptics Page look  
is this guy jerking off in the shower  
about me or not is he jerking off and  
thinking about me  
is he jerking off and thinking about me  
every day every single day  
oh do we run out for oh this is a year  
ago I've only been on YouTube for a year  
so let me go back to when I came onto  
YouTube  
eight months ago I started in January on  
YouTube this is uh November so a couple  
months into YouTube eight months ago  
David becomes obsessed with me every  
thumbnails of me  
look  
and not only that guys not only that  
about team skeptic who is a closeted gay  
which is fine come out of the closet

David we know you're gay and just just I  
mean who makes thumbnails of another man  
like that I just don't understand that I  
can't even get that Raptor on my head  
but the worst part about team skeptic  
check this out when you go to his page  
his main video his main video is me and  
it has a hundred thousand views David  
you can't use my likeness to make money  
I'm suing your ass a piece of [ \_\_ ] look  
at that using my likeness to make money  
look look  
so I guess on this broadcast I only went  
after men I mean obviously I'm suing  
Kate Peter but  
foreign  
I guess it's just not I guess it's  
anybody who makes I mean  
look at this [ \_\_ ] guy I mean look at  
this [ \_\_ ] guy look at this guy I mean  
just absolutely obsessed with me dude  
this guy is obsessed with me so in love  
David do you dream about slobbering my  
knob do you just do you put like maybe  
get a salami or a cucumber and then put  
your mouth on it and be like this is  
chili  
is that what you do do you see how far  
down you can go on the Cucumber David is

that what you do because you got to get  
that murder that you did out of your  
head and so you're like maybe if I just  
think about blowing chili maybe if I get  
down

do you have where it snot comes out your  
nose because I've seen that happen  
to play rough let's play rough wanna  
play rough okay

oh man big time Big Time Gay Thoughts I  
mean Big Time Gay Thoughts  
he's got to be having Gay Thoughts like  
crazy look

it's all me it's all me

look

his whole thing is about me

what a twisted [ \_\_ ]

I mean what a whack job I mean his whole  
thing is about me

look it just keeps going it just keeps

going just in love with me bro

just in love with me dude

look

discussion about the first debate

discussion dude

foreign

you don't have to like me everybody hit

the like button everybody right now hit

the like button even you pussy-ass [ \_\_ ]

trolls hit the like button you're here  
right now because I'm allowing you  
you're here right now because I exist I  
am the alpha and you are a follower so  
hit the like button  
piece of [ \_\_\_ ] troll hit the like button  
oh he's melting down he's so dangerous  
now for the love of God give me the  
chance to be dangerous actually come up  
to me and take a swing so I can put your  
head into the concrete it will take  
literally seconds  
where's the danger that I am where is it  
where's the danger  
he's so dangerous  
there's no assault record there's no  
violent record at all whatsoever there's  
no arrest for violence there's no arrest  
for assault there's no charge of battery  
there's no hospital bill I've never hurt  
anybody I've never heard anybody so what  
are you talking about  
Linda got it right Linda T just said  
Terry would be a nobody without chili  
Terry the only reason anybody knows your  
name is because I bought you a camera I  
bought you a phone and I paid you to be  
an auditor  
it's the only reason anybody knows your

name Terry you are such a cuck dude  
you're such a cuck you really are  
everybody from Ironton should know that  
I paid you to protect them and then as  
soon as I stop paying you you became a  
cop sucker and started sucking off Chad  
goo I guarantee you he has sucked him  
off I guarantee it he swallowed his  
whole load guarantee it guarantee it  
guarantee it  
Chad goo went flying over there as quick  
as he could hey the two of them got  
together and said you know what if we  
talk about chili people will pay  
attention to us but he's not the alpha  
okay  
and then someone chimed in on the  
Discord the other day you notice he  
started to stop talking about Alpha and  
beta  
did I  
when did that happen I wasn't sure when  
did that happen  
when did that happen I don't I don't  
when was that when did I stop saying  
that when did I stop saying that I was  
the leader when did I when did I ever  
say that differently I am the leader I'm  
going into leadership I am the alpha and

I will continue to lead unfortunately  
right now I gotta kick your [ \_\_\_ ] ass  
but then after this  
2023 is coming 2023 is coming  
2023 is coming  
goo is the alpha  
raising five kids from uh different men  
that don't belong to him and the men  
whose kids he's raising are in prison  
yeah Chad goo has five kids with that  
chick and none are his none of them are  
his  
I'm not kidding all the kids are from  
different dads I think two of the kids  
are from one Dad I think I I don't know  
the answer so I'm not gonna quote it but  
I know that none of those children that  
Chad do has in his home are his they're  
from the previous felons who are in  
prison or the deadbeat dads that that he  
rescued the woman from poverty and takes  
care of her and her kids so  
you know I mean I Gotta Give Them credit  
to be honest he may be a pig but he is  
paying for five dudes kids or five kids  
that belong to other dudes  
and he does have a young little wife  
she's pretty hot I'd hit that you know  
what I'm saying she's pretty hot she had

good for you bro good for you

[Laughter]

laughs

[Laughter]

yeah V Boyer V Boyer just wrote I'm not  
impressed with money I'm not impressed  
with social status or job title I'm  
impressed with someone treats other  
human beings so listen all we've done so  
far on this channel is help people we've  
helped a lot of people

you know and someone just wrote that  
Kate chose trolling over her kids and  
she did as far as my opinion is you know  
I don't think that's harassing or Huss  
or or defaming it seems as though she  
did lose her kids that's what it seems  
like

there is adoption papers and there are  
there is a newspaper clipping that shows  
that she lost her children so  
am I picking on her because she's a  
woman or because she lost her kids  
am I picking on Terry because he's a  
woman

laughs

Terry I'm giving you content brother now  
you have a live stream you can do and  
you can go out and grift people along

with these other grifters who use my  
content and use my name and say he's not  
the leader but I'm called delete laws  
too he's not the leader but my name's  
chilly he's not the leader but watch his  
video

am I too far off here I mean I'm just  
saying hasn't this got too ridiculous  
yet how many people are ready to be  
class representatives how many people  
let me drop it in the chat here's the  
link for class representatives for  
trolls if you're unhappy with Kate Peter  
or you're unhappy that that chick  
ran that channel and turned it from a  
report channel to a troll Mafia Channel  
let me drop the link in the chat for you  
because you should fill this out  
you should fill this out

I mean I made a video saying stop using  
my name stop using my brand and then 10  
channels popped up using my logo using  
my brand saying he's not the alpha  
okay

seems like I am  
seems like it

that's all I'm saying it seems like it  
here is the form for the class  
representative

and I'm going to drop this in the chat  
for everybody who are who are trolls  
and you guys are welcome to fill out  
this class representative sheet  
here's the link for anybody who wants to  
fill this out

I just had to listen to that Arizona  
Jeep girl over on the Ironton frauded or  
Terry nips page who was a paid auditor  
for Ironton do the people of Ironton  
know that that he was get paid  
does anybody know that any other Auditor  
in the history of YouTube ever get paid  
by another auditor to go out and audit  
cops could anybody put a one in the chat  
if you think no auditor ever gets paid  
put a one in the chat if you don't if  
it's normal the Auditors have to make  
their own way put a one in the chat if  
Auditors are not supposed to be paid by  
other Auditors put a one in the chat  
just put a one in the chat because it's  
true

I shouldn't have had to pay him to go on  
the streets but I did  
but I did  
phone calls recorded where I called him  
up and he was at home and he was just  
go out I sent him money for him to go on

the streets

there it is

I mean any other Auditors have someone  
paying them to go out and audit anybody  
else have that I didn't have that no one  
no one just gave me money up front  
without doing anything and then called  
me and auditor without doing anything  
anybody else do that

yeah I was paying him dude I need I  
needed somebody there to protect the  
people of Ironton unfortunately I hired  
a cop sucking beta male [ \_\_ ] I'm sorry  
that I did it forgive me for my language  
I just heard this piece of [ \_\_ ] [ \_\_ ] go  
on his account and say that chili only  
goes after women

dude I would beat the snot out of you  
you and Chad together would get beat up  
by me

it is what it is I am what I am

so

yeah I'm streaming from an airport I've  
been here for hours I shouldn't I  
shouldn't turn on my camera here

[ \_\_ ] are you bro

you're a nobody you're a nobody dude  
that's the other thing let's talk about

this

a lot of you folks you trolls right a  
lot of the fake piece of [ \_\_ ] losers  
right you come in my comment section you  
write stuff as you have my name in your  
title tell me how irrelevant and crazy I  
am then why do you use my name  
how come I'm just saying  
how come  
how come  
why are you here listen if I'm suck  
listen you know what you could do to  
really shut me down do you really want  
to shut me down put put a one in the  
chat and you won't get blocked put a two  
in the chat because my people use the  
one put it let's use the three put a  
three in the chat if you want to see me  
get shut down don't block them just put  
a three in the chat if you want to see  
me get shut the [ \_\_ ] down if you want my  
channel to be deleted if you want me to  
be shut down put a three in the chat do  
you want me to stay put a one if you  
want me to get rid of me put a three  
okay fair enough put a three I accept it  
you can you can put whatever you want  
you don't get blocked you can put  
whatever you want put a three in the  
chat if you want to get rid of me put a

three in the chat put a one if you want  
me to stay put a three if you want to  
get rid of me there's so many people in  
here and only so many likes there must  
be more trolls in here than people who  
support me put a three in the chat if  
you want me 86 I'm not gonna kick you  
off the page moderators do not block  
them off the page put a number three in  
the chat put a one if you want me to  
stay put a three if you want me to go  
put a one put a three you want me out  
one if you want me to stay so listen  
for those of you guys who are putting a  
three in the chat the fastest way for  
you to get rid of me is to stop using my  
brand my name my logo stop watching my  
channel stop talking about me the  
fastest way to get rid of me is to not  
give me any Oxygen cut off my oxygen  
where I don't have any more people  
coming over to my channel where I don't  
get any views cut off my oxygen  
so far it's mostly ones so there's  
almost 600 people in here it's mostly  
ones in the chat how come that is  
there's a three okay Anthony if there's  
a three good job good job at least  
you're not being a coward [ \_\_ ] anymore

at least you're not being a coward at  
least you're actually saying how you  
feel and then someone put a two just for  
fun

hahaha

lawyer lawyer McLaughlin

good to see you good to see you good to  
see you Dan good to see you what's it  
too it's supposed to be a three or a one  
a three or a one a three or a one a  
three or one three or a one

just want you to stop having daily  
freakouts doxing and threatening people

I don't give a [ \_\_\_ ] what you think dude

you are such a cuck it's unbelievable

you are such a beta male it's

unbelievable I'm not even gonna say your

name like what I've know just so you

guys know I'm telling you guys you want

to get rid of me stop paying attention

to me

don't don't use my name stop saying

delete laws stop saying my name stop

watching my channel insist that your

troll Masters your queens and your kings

insist that they stop saying my name

because you're just making me [ \_\_\_ ]

famous stop it there shouldn't be 600

people in here I've only got a couple of

supporters

was that right so someone just wrote In  
Here an Insider told me Lutz was getting  
hit by the FBI I hope so because Michael  
Lutz my friend uh Beth riss said that  
Michael Lutz raped her  
and she swears to God and I believe her  
my sister was also  
assaulted as a kid and I can't stand it  
so Jeff hates pigs Coke dogs in the  
house everybody everybody cope dog is in  
the house good to see you good to see  
you good to see you good to see you DJ  
Smith is in the hizzy Anthony you put  
three four times Anthony every time you  
drop a comment you're feeding the Beast  
everybody tell Anthony if you stop  
commenting and you stop talking about me  
then there's a very good chance I'll  
just slowly but surely deteriorate  
because I don't have any real support  
anyway  
right  
seven and a half  
is that is that three is that three  
three one okay how do you get seven and  
a half man I can't get to seven and a  
half I can't get to seven and a half  
oh Mafia troll farmer is gone God dang

it

goth I'm all taught Cleaver then what  
are you doing here bro get the [ \_\_ ] out  
of here dude

I have thousands of people thousands of  
people who are obsessed with me  
if you're obsessed with me and you don't  
like me get the [ \_\_ ] out of here  
they won't what's up

see Joe yo tengo personas is

look you'll say you'll you'll you'll

you'll your little voice

they're still here

they're still here

they won't they won't leave

[Music]

two I want you to focus and actually  
teach history and focus on creating a  
movement to overturn the current police  
conduct your current actions are  
Behavior are reprehensible well I  
haven't seen you in here very much  
before brother so my current actions are  
reprehensible

I'll tell you what brother let's stalk

your ass

let's you go to a gas station and people

call it and say Hey give the phone to

this guy let's have you go to a

restaurant let's have your family your  
friends get called let's have let's  
let's have someone call your mother and  
call her a [ \_\_ ] [ \_\_ ]  
okay  
you are  
you and I are not the same I'm the  
leader  
so there's a big difference now is he  
correct yes you are correct we need to  
get back to Mission yes do I hate doing  
this yes  
what the [ \_\_ ] else am I supposed to do  
I'm tired of it I mean come on dude but  
the thing is is all the lies oh he's on  
the verge of cracking what  
what  
uh someone find the assault I have on my  
record I'm ready to see it someone find  
the battery charge I have oh he has a  
restraining order someone said he said  
mean things okay great  
anyway all right all right all right  
all righty then  
all righty that's fine whatever  
oh I believe how much put a one in the  
chat if you believe Beth rest put a one  
in the chat if you believe a Lutz raped  
Beth wrist put a one in the chat if you

think that Michael Lutz if you believe  
Beth rest and you think that Michael  
Lutz raped her and that that one in a  
billion DNA in her was Michael Lutz DNA  
that's what I believe I believe he raped  
her and I believe he got away with it  
that's what I think but he's not going  
to get away with it in the in the in the  
in the world of right and wrong he's not  
going to get away with it in karma he's  
not going to get away with it  
well I'm waiting for that to happen bro  
someone said they're gonna beat the [ \_\_\_ ]  
out of me I'm waiting bro  
since October people been saying they're  
going to beat me up in the street I've  
walked into lots of crowds of people who  
didn't like me no one beat me up  
wonder why that is  
I wonder why that is  
not losing anything I'm just fighting  
back because I'm on vacation  
I'm just reading the comments because I  
can't see them on my other screen I'm  
just reading the comments here so I can  
see what you guys are saying because  
they don't show up on this screen I  
don't know why that do that sometime  
no Mom should be disrespected which mom

was disrespected no wait wait a minute  
shut your mouth dude no Mom should be  
disrespected uh I guess you haven't  
really had a lot of moms or been around  
a lot of moms a lot of people who are  
mothers should be disrespected just  
because they have a kid doesn't make  
them a decent mother or a good person  
foreign

said instead of being obsessed with  
chili go to the gym work on yourself  
stop trolling and work on your life and  
maybe one day you'll love yourself again  
no um Kate Peter has said several times  
she hates herself she talked about her  
lawyer the other day and she said she  
was in awe of being around her lawyer  
who's smart and educated

what

you're in awe of your lawyer Kate I  
think you've seen what I've written  
about him so I can't say it here out  
loud you're in awe of your lawyer Kate  
I'm not in awe of your lawyer needless  
to say I'm not in awe of your lawyer not  
at all not even kind of

oh you are

um

this guy named Michael Lutz he was a

city council member there  
um oh I got an educator in here now  
educator the idea that you thought you  
could fight me bro I would [ \_\_ ] trash  
you dude I would trash your ass  
the fight would last literally 30  
seconds like it does with most guys I've  
ever fought in my entire life I would  
beat the [ \_\_ ] [ \_\_ ] out of you dude it  
would take less than 30 seconds  
and you would be disoriented and someone  
have to pull me off you  
get the [ \_\_ ] out of here you [ \_\_ ] pig  
it's real easy to throw people around in  
torture cuffs and when they have to  
comply and they're saying no please sir  
no please and didn't Beth rist expose  
you educator she told us there's two  
different stories where you punch people  
in cuffs I'm not going to be in cuffs  
and leducator I guarantee you soon as I  
finish my MRI and my [ \_\_ ] in California  
I will come up there brother meet me  
somewhere private just me and you I  
don't need a show after I smack the [ \_\_ ]  
out of you and we leave the woods  
everything will be fine  
[ \_\_ ] [ \_\_ ] beta boy  
no I can't I couldn't I couldn't pass

the physical my blood pressure wouldn't  
drop at that time because they had put  
dog [ \_\_ ] on my door put Nutella on my  
handle stole my van my knee blew out I  
was getting stalked everywhere I went so  
it was really a strange feeling and my  
blood pressure was out of control so I  
couldn't pass the physical

so

but because he doesn't belong here we  
don't support pigs on this channel [ \_\_ ]  
educator [ \_\_ ] him he's a [ \_\_ ] pig

[ \_\_ ] him

[ \_\_ ] you Chad

piece of [ \_\_ ]

Chad bought the belt Chad Chad they made

a belt and Chad bought it with money

go figure typical typical

such as educator you would have no

chance dude so I'll see you when I see

you dude this isn't about you you got

all the attention you're gonna get [ \_\_ ]

off Pig

really that's funny

that is funny

yeah what what about the people that

educator beats up on the side of the

road what about that and why is you so

so

how come he calls himself educator why  
are you called educator  
LED you cater oh like a gun like you're  
gonna educate people by using a gun is  
that what you mean by that Chad and let  
me say something else too because I I  
just can't stand it I I I cover for  
people all the time  
there's a guy in Ironton named Derek  
medley right he gave me a gun right then  
because he got pressured he later told  
those people that I paid him for that  
gun but I didn't  
that's a lie I just never said anything  
because I didn't want it to keep going  
you know I just wanted it to die down  
because I actually really like Derek  
but unfortunately when he told the  
people in Ironton that I eventually paid  
him for the gun I didn't that was a lie  
it wasn't true so I'm just not going to  
cover for people in their lives and  
that's what that cop last night talking  
to me on the phone the ex-cop talking to  
me on the phone last night you know it's  
not my job to cover your lies it's my  
job to be truthful and forthright and  
fight forward under any circumstances  
and to never give up never back down

never Retreat Never Surrender that's my  
job it is not to cover for Derrick  
medley lying and saying that oh yeah he  
eventually paid me for the gun no I  
didn't not a [ \_\_ ] dime bro and I  
never will because you gave it to me we  
raised you a bunch of money you were  
grateful for it so you gave me the gun  
as a gift and then you did everything  
you could because some loser in your  
town made a YouTube video and so you you  
caved to them and were like oh yeah  
Chili's terrible but then you felt I  
don't know I don't know what the thing  
in your head was but then eventually  
Derek lies and says oh yeah chili paid  
me for the gun no I did not I swear to  
Christ Muhammad Buddha Jesus Krishna you  
name it I swear to those people  
Okay so  
he beats people with a flashlight so  
someone just chimes in and said that  
Chad goo hits people with a flashlight I  
don't I don't doubt that but now look  
Chad I've given you light you can take  
this video now Chad and you're relevant  
again  
you and Terry  
you and Terry over there just

right

you know what I'm talking about Terry

get over there and change Chad's Tire

[Laughter]

uh jobless man

in English

so

anyway there that is

where did the educator go hey Jonathan

Mitchell I gotta talk to you dude I was

thinking about you last night and I want

to talk to you about something when I

was talking to that ex-cop on the phone

last night and I know that you two are

around doing music I want to talk to you

about something hey yum yum uh did you

guys uh Yum I want everybody to for the

people to fill out this class

representative form here if you are a

member of the the stalker Mass hole

Channel

stalker Channel this stocks me and my

family members and all my friends then

you're more than welcome to fill out

this this questionnaire right here

it's right there

there it is it's in the it's in the if

all the moderators will get a copy of

that link please because more and more

trolls just so you guys know four trolls  
filled out questionnaires today four  
trolls four trolls are now class  
representatives as of today four trolls  
today  
so it is happening there's people who  
are very unhappy with this shitty  
leadership over there of course their  
mission is to hurt other people our  
mission is to help other people we're  
definitely different we're definitely  
different and I don't have children that  
I'm going to lose as I worry about my  
YouTube channel other people do and  
other people have so just keeping it  
real just keeping it real I'm just  
keeping it real make sure you guys all  
the moderators  
make sure all the moderators uh have a  
have this link I want you guys to have  
the link for the class action  
representative  
I'm never going to stop guys I'll never  
stop don't you ever think you can bully  
me don't you ever think you can and all  
you other little trolls making videos  
about me I'm glad you're getting your  
views you're insignificant so you didn't  
cause the damage Kate Peter did Josh

Abrams did Dale from lackluster did  
James Freeman did Irish demon team  
skeptic and uh and blue bacon those are  
the six people who will be sued by me  
I swear on everything that I am  
don't [ \_\_ ] with the dog he'll bite you  
it's that simple  
so  
sorry I just got triggered by Terry nip  
saying oh chili only goes after women  
Terry I went after you and your tiny  
little peony didn't I Terry I went after  
you didn't I  
and I told everybody I paid you to be an  
auditor  
go on your stream and deny it and I'll  
pull up all the [ \_\_ ] receipts brother  
I also have cash I handed you from my  
hand to your hand how many hundreds was  
it Terry I got the photos  
thank you  
yum make sure you fill out that class  
representative sheet because yum turned  
yum left the troll Mafia and now yum has  
come over to the light she went from the  
darkness and the putrid hell the  
darkness of Hades the 666th layer of  
evil yum left that and came here so yum  
make sure that you fill out this class

action representative sheep  
all trolls please make sure you fill out  
the class representative don't be the  
one that didn't fill out the sheet when  
there's a whole host of other people who  
did don't be the one holding the bag  
when you get a letter in the mail that  
says you're part of a class action  
lawsuit don't do it  
don't do it and then just so the trolls  
know I don't read the comments anymore I  
just stopped and I don't even check my  
own emails anymore my cousin checks them  
so I don't get any of your hate  
laughs but if I see dog [ \_\_ ] like Terry  
nip saying that um  
saying that well I just hit the block  
button so now you're gone oh I'll go get  
another one of your troll counts  
hey Mrs leducator how many kids do you  
have from how many different dudes how  
many bodies have been on that how many  
bodies you've been on huh how many  
how many kids do you have from how many  
different dudes  
fair question  
I mean how many bodies does that chick  
have I mean really I mean really  
doesn't seem to be any limits for me it

doesn't seem to be in limits for me and  
my family so I'm supposed to be the one  
that's supposed to be good but then  
again we're seeing in politics that when  
the gloves come off they really don't  
care

I'm not slut-shaming Homer Homer asked  
if I was [ \_\_\_ ] shaming hell no I'm not  
slut-shaming go for it honey but you're  
married to Chad now so you got to stop  
uh having kids with lots of dudes  
Chad will raise them but you got to stop  
doing it that's all I'm saying

that's all I'm saying

that's all I'm saying

I'm not here to answer your questions

I'm here to have a conversation with my  
friends and my family

right right how many how much money did

Chad you make off the police department  
paying him to not go to work and just to  
train for the fight that's what I want  
to know

but the truth is that

that make sure I'm I'm good I'm gonna  
drop some of this heavy weight I'm  
carrying that I gained for this next  
project but okay so let me give you guys  
a simple example I'm doing a project

starting in December where I teach  
intermittent fasting so what does that  
mean exactly the means I have my own  
Talent

that means that I can create content and  
I don't need you to make my content  
could you do that I'm starting a whole  
new channel that's just based on  
teaching intermittent fasting meaning  
I'm creating my own content

I don't need to use your name I don't  
need to use your likeness I don't need  
to use your brand I don't need to use  
your logo I'm just creating another  
Channel That's based on my talent on  
what I can do I can create content based  
on my knowledge

why don't you try that and for all the  
people who hate me if you just stop  
paying attention to me if you stop  
giving me oxygen then eventually I'll  
wither away and I'll die right

so do that

do that

so

I just gave these guys content is all  
you know what I mean because they can't  
survive without me they can't do it  
without me they have to have me I mean

look at Team Skeptics Channel  
someone wrote me today skeptic and said  
that they think you're homosexual  
it's what they wrote  
I said tell him that  
I said why you write me and telling me  
that you think that that that that that  
team skeptic is gay  
oh I know it listen uh Tom Tom  
Shackleford you got that right what  
about the tyrants in Maricopa Arizona  
dude it is unbelievable Arizona listen I  
I used to say Ohio is the biggest police  
state it could be it could be Arizona  
it's horrible it is horrible  
um well if he's gay then just come out  
why are you so obsessed with me bro I  
don't even know you never done you wrong  
I don't know you you're just a weird guy  
who killed people you murdered a guy and  
that's what's going on you're just a  
weird guy  
oh he was on them dating apps is that  
right I didn't know he was actually gay  
is he actually gay I'm not trying to gay  
bash him if he's gay and in the closet I  
shouldn't say these things I should be a  
little more compassionate but because he  
is obsessed with me you guys can see it

you guys can see the Yo La Spike what's  
going on what is going on Los Angeles  
Spike

keto Bros yeah I'm not going to do Keto  
no listen educator's wife's a little

honey I mean for kicking out five kids  
that chick's a babe good job Chad she's  
good looking bro I'll give you that a  
lot of baggage there

now Chad did the other guys want to be  
Daddy too do they come around do you  
have to give visitation rights to the  
felons or are they still in prison

fair questions Chad do you do you give  
each different kid visitation rights  
with each different dad do they come  
over on different days how many dads are  
there I'm just wondering I'm just

wondering you know

I'm just wondering that's all I'm

wondering so anyway

to be honest with you guys to be honest  
with you right

cope dog Deanna good to see you to be  
honest with you guys it's a little bit

I knew

from Facebook from all my Facebook  
accounts they would blow up with  
followers I knew that I had a certain

amount of energy I didn't realize that  
there was so there would be so many  
people who were just obsessed with me  
it's so strange I remember AOC uh the  
wacky liberal and she's got some good  
ideas too she's not just a total wacky  
liberal but she is pretty wacky in some  
of her ideas of course but then again so  
is you know Mike Pence some wacky ideas  
he has so some people on the right with  
wacky ideas I don't want to get in  
politics here but there was a time that  
AOC a couple years ago when she had so  
many people

um

talking about her and obsessed with her  
that she said how many of you guys want  
to sleep with me I watched it the other  
day so that's why I repeated it like how  
many of you like are just like seriously  
obsessed it's so weird

so weird uh Elizabeth uh I wouldn't vote  
for her she's a gun Grabber VG read her  
website read Elizabeth Warren's website  
she wants to take away our guns because  
I was a great big supporter I was also a  
big supporter

um of uh

um the other chick

I I'm just I got so many people my  
mind's drawing a blank she  
crossed over to Republican now she's the  
Democrat from Hawaii she also is a gun  
Grabber and so I'm not I'm not down with  
anybody trying to grab my guns Liz  
Cheney  
you know let me hear her side let me  
hear her politics I don't really know I  
couldn't I couldn't really say I don't  
know enough about what she actually  
Tulsi gabbard I really loved Tulsi  
gabbard but her gun grabbing [ \_\_ ] turned  
me off like a light read her website she  
wants to grab guns I actually misspoke  
when I said Elizabeth Warren I was  
actually talking about  
um  
Tulsi gabbard  
anyway  
so and then here's the other thing hey  
why do you guys keep trying to hack me  
like what the [ \_\_ ] are you what you keep  
trying to hack my YouTube let me show  
you let me just show you guys like I can  
back up everything I say  
there's people who try to hack  
anything I have I got a receipt the  
other day that was from Tinder and I was

like

but I don't have a Tinder account

oh

all right thanks Greg I appreciate that  
but the comment was look at the bully  
making demands I'm not the bully I'm the  
alpha and I'm the leader and the people  
have decided some of these little trolls  
decided to [ \_\_\_ ] with me and now you're  
getting the horns of the bull I've asked  
them to leave me alone I've asked them  
to walk away

to pay me I'll bet you Josh  
I'll bet Josh Abrams has to pay me I'll

bet Dale from lackluster has to pay me  
and I'll bet you the team skeptic has to  
pay me and I'll bet you the blue bacon  
has to pay me as well  
I'll bet you I bet you they all have to  
pay  
I'll bet you I'll bet you a million  
bucks  
that they have to pay

I'm confident because my case is solid  
oh I've asked them I I withdrew my  
lawsuit to give them a chance to take  
their videos down and say they're sorry  
or I'll refile in California when they  
didn't give me a chance to drop my  
lawsuit voluntarily I put in for a  
motion of transfer a venue all right
