Re: *Reyes v. City of New York*, 23-cv-6369
Pursuant to Individual Practices 3(e) and 4(d)

Dear Judge Clarke,

Plaintiff's counsel in the above-referenced matter writes pursuant to Individual Practice 3(e) and 4(d) to request oral argument on Defendant's pending Motion to Dismiss. Undersigned counsel graduated from law school in 2021 and "played a substantial role in drafting the underlying filing." In addition, Plaintiff believes that the Court would benefit from oral argument on the First Amendment issues presented in the opposition that were not discussed at the preliminary injunction hearing and on the Fourth Amendment claim, which was added to the complaint after the preliminary injunction hearing.

Respectfully submitted,

/s/ Meena Roldán Oberdick
