With the URL: https://www.youtube.com/watch?v=5F9_YLoeu_Y&t=269s Where he states starting at the **04:20 timestamp "horrendous on another note listen 00:04:26.919 someone put together some spotfund spot fund account that is not me so please report that spot fund account that is not me I did not put that up and whoever um Mr Rittenhouse is Sean Rittenhouse you got scammed out of \$4,000 I hope that you will call the police and press charges on whoever did that and I I have some ideas of who it is but I can't say any names right now because there's some other things going on but listen go and report that spot fund account for me for for us because someone's impersonating this team and people who support team DLZ are putting money into a total fraudulent account that's not mine I did not create a spot fund account I have two GoFundMe and you** This HARASSMENT and in direct violation of the protection order issued by the District Court of Maryland For Harford County Case Number D-09-CV-24-809545 (SEE ATTACHED) This video is harassing me by attacking my fundraiser and me as fraudulent and a scam, he also directly mentions the FULL NAME of the people who donated to my fundraiser "Sean Rittenhouse". and says they have been scammed and to get a refund a call the police, He then directs his supporters to all mass report my fundraiser as fraudulent. He also shows my fundraiser on screen which directly identifies it as mine. Here is the link to my fundraiser: <http://spot.fund/3b3k3sc> (you can see it is the exact same he showed on screen). This is the second video he has made in 24 hours harassing me in violation of the protection order doing this exact same thing, harassing me by telling people i am a fraud and fundraiser is fraudulent and a scam and to mass report it. Mind you he is doing this all from JAIL, he is currently behind bars in the Clark County Detention Center in Nevada. He has been charged criminally for previous videos he has made using his Youtube Channel to harass me here in MD Case Number: D-09-CR-24-000572. He has trial for them on 4/25/24 here in MD, see attached for 3 charges: HARASS: A COURSE OF CONDUCT, TEL MISUSE:REPEAT CALLS, and ELEC COMM HARASS. I believe this to be a violation of the peace order because It is his voice on the video, and he directed his associate to post the video on DeCastros youtube channel and the intent in doing so is clearly to further harass me by attacking and defaming my character and disrupting my business and fundraising efforts by trying to get people wgo donated to my fundraiser to resin their donation and get a refund as well as directing all of 500,000 followers to mass report it and get it shut down. That is the second video he has made harassing me because 24 hours prior on 7/8/2024 Mr DeCastro did the exact same thing. On 7/8/2024 A video titled "BIG UPDATE from Chile (Delete Lawz) from Jail" with the URL: <https://youtube.com/watch?v=BbnAxFMPvQ4&t=1s> Where Mr DeCastros and his associate Brian Young violated the protective order as 3rd party contact and further harassment. Mr Young admits in the video that he got the information from; and was directed to make the video by Jose DeCastro through a phone call wth him from inside the jail. The violation is between the 00:30 second mark until the 06:15 minutes mark. in the video he repeatedly says my full name, calls me a fraud and that my fundraiser is a fraud and tells everyone who donated to it to get their money back because its a scam. Here is the transcript: It starts from timestamp 00:12 **So hey, I got something really important I mean not that the Chile updates not important But I got**

00:06:19 1

This is an update from Chile from about an hour ago.

I respectfully request Your honor and this court to find Mr Jose DeCastro in contempt of violating the peace order i have againt him issued 3/25/24 and also move this court to reach out to the Clark County Jail in Nevada, Phone Number (702) 671-3900 and revoke Mr DeCastro's telephone privileges so he cannot continue to direct 3rd Party harassment to me from inside of the jail. To support this, I point to his long history of Protection Orders and Restraining Orders against him in the past by many people in his life including multiple ex girlfriends, business associates and more. He also has a history of violating said protection orders which he has violated every single protection order that was placed on him in other states at least 1 time. He is dangerous and as long as he is able to continue to pass orders to his associate from inside the jail, he will continue to violate the peace order.

I hereby swear these statements are true and accurate under penalty of perjury on this 10th day of April, 2024.
